**ARTICLE I
TERM OF AGREEMENT**

This Agreement between the State Center Community College District (“District”) and the State Center Federation of Teachers, Local 1533, CFT/AFT, AFL-CIO (“Federation”) is effective upon ratification, and shall remain in full force and effect through June 30, 2009.

**ARTICLE II
RECOGNITION**

The District recognizes the Federation as the sole and exclusive representative of those members of the bargaining unit enumerated in the certification of the Educational Employment Relations Board dated March 24, 1977, Case Number S-R-555, as amended, effective May 26, 1981.

**ARTICLE III
EFFECT OF AGREEMENT**

It is understood and agreed that the specific provisions contained in this Agreement shall prevail over District practices and procedures and over state laws to the extent permitted by state law, and that District practices, procedures, and policies shall be amended within a reasonable time in accordance with the terms and conditions of this Agreement.

**ARTICLE IV
SUPPORT OF AGREEMENT**

During the term of this Agreement, the District agrees not to negotiate with any other organization on matters upon which the Federation is the exclusive representative and which are within its scope of representation, nor will the District attempt to negotiate privately or individually with the members of the bargaining unit or any person not officially designated by the Federation as its representative.

The Federation agrees to negotiate only with the representatives officially designated by the District to act on its behalf and agrees neither the Federation, its members, or agents will attempt to negotiate privately or individually with the Board, an individual Board member, or any person not officially designated by the Board as its representative.

**ARTICLE V
WAIVER OF BARGAINING**

Section 1. WAIVER:

- A. This Agreement shall constitute the full and complete commitment between both parties. This Agreement may be altered, changed, added to, deleted from, or modified only through the voluntary, mutual consent of the parties in a written and signed amendment to this Agreement.
- B. Except as otherwise provided in this Agreement, the District and the Federation expressly waive and relinquish the right to bargain collectively on any matter:
 - (1) Whether or not specifically referred to or covered in this Agreement;
 - (2) Even though not within the knowledge or contemplation of either party at the time of negotiations;
 - (3) Even though during negotiations the matters were proposed and later withdrawn.

Section 2. BEGINNING NEGOTIATIONS:

This is a closed contract and neither party will be required to negotiate on any item during the term of this contract unless both parties mutually agree to negotiate. Any AFT initial proposal for a successor contract shall be given to the District between January 1, 2009, and June 30, 2009.

**ARTICLE VI
SEVERABILITY AND SAVINGS**

If any provision of this Agreement to any unit member or group of members is held invalid by operation of law or by a court or other tribunal of competent jurisdiction, such provision shall be inoperative, but all other provisions shall not be affected thereby and shall continue in full force and effect.

Any such provision held invalid or inoperative shall be renegotiated upon written request of either party to this Agreement.

**ARTICLE VII
MAINTENANCE OF OPERATIONS**

The Federation agrees that neither the Federation, nor any person officially acting in its behalf, will cause, authorize, engage in, sanction, or, take part in a strike, a concerted failure to report for duty, or other similar action against the District. In consideration thereof, the District agrees there shall be no lockout of unit members.

**ARTICLE VIII

The District is not bound by any past practices of the District or understandings with any employee unless such past practices or understandings are specifically stated in this agreement.

**ARTICLE IX

Additional newly hired unit members' names, addresses, and telephone numbers shall be furnished as hired during the year. The District is not obliged to release addresses and/or telephone numbers of unit members who have designated in writing to the District that such information remain confidential.

Section 5. FEDERATION OFFICIALS:

The Federation shall furnish annually, and update as required, a list of all officials and representatives authorized to act on the Federation's behalf. The list shall show the name and the title of these officials. The District is obligated to recognize or allow reasonable access to any work location by any Federation official or representative when they appear on the official list submitted, subject to the following limitation:

Authorized Federation officials and representatives shall be allowed work location access to unit members only when unit members are not engaged in classroom or other assigned responsibilities.

Section 6. MAILBOX USAGE:

Duly authorized communications may be placed by the Federation in the mailboxes of unit members. Such communications must be dated and bear Federation identification as the distributor.

Section 7. BULLETIN BOARD USAGE:

Duly authorized communications may be placed by the Federation on the bulletin boards of each college. Such communications must be dated and bear Federation identification as the distributor. Reasonable space and time limitations may be invoked by the District when necessary.

Section 8. EQUIPMENT USAGE:

A. The District agrees to deduct dues in uniform amounts from all eligible Federation members within the unit recognized and enumerated in Exhibit "A" who have signed an authorization card for such deduction in a form approved by the District, subject to the following conditions:

- (1) Such deduction shall be made only upon the submission on a District approved form of a duly-executed and revocable authorization by the unit member;
- (2) The District shall not be obligated to put into effect any new, changed, or discontinued deduction unless the change is in the District payroll office prior to the tenth (10th) of the month;
- (3) Unit members who have voluntarily authorized dues deductions shall, from year to year, continue to have dues deducted until discontinued in writing;
- (4) Dues shall be deducted from warrants for each month of the twelve (12) month fiscal year.

B. Notwithstanding Section 12, "A" above, the parties acknowledge the provisions of Government Code 3546(a) which states:

(a) An organizational security arrangement, in order to be effective, must be agreed upon by both parties to the agreement. At the time the issue is being negotiated, the public school employer may require that the organizational security provision be severed from the remainder of the proposed agreement and cause the organizational security provision to be voted upon separately by all members in the appropriate negotiating unit, in accordance with rules and regulations promulgated by the board. Upon such a vote, the organizational security provision will become effective only if a majority of those members of the negotiating unit voting approve the agreement, such vote shall not be deemed to either ratify or defeat the remaining provisions of the proposed agreement.

- (1) Pursuant to Government Code section 3546(a), a request may be filed with the Public Employment Relations Board office that a proposed organization security provision be voted upon separately from the remainder of the proposed agreement by the members of the unit.

The request will be in accordance with the PERB regulations and on a form provided by the Public Employment Relations Board.

An election among the employees of a negotiating unit to ratify an organizational security arrangement shall be conducted under procedures established by the Public Employment Relations Board, and in accordance with election procedures described in these regulations.

- (2) The organizational security arrangement shall become effective as part of the agreement only when approved by a majority of the valid votes cast by employees in the negotiating unit.
- (3) If the organization security for the payment of service fees is passed and approved by a majority of members of the negotiating unit, and certified by the PERB, the Federation shall have the right to have service fees deducted for employees in the bargaining unit who do not otherwise pay dues in accordance with Section 12 "A" above as follows:
 - a) All employed unit members who are not Federation members and who elect not to initiate a dues deduction authorization form shall pay service fees in an amount no greater than the current Federation dues. The service fees must not support Federation activities beyond the Federation's representational obligations. Any dispute between an employee and the Federation over the amount of the service fees must be expedited by the Federation and must be consistent with current law. Such service fees may be paid by submitting a service fees deduction authorization form to the District, by direct annual payment to the Federation by October 1 of any school year in lieu of having such fees deducted, or by involuntary deduction from wages pursuant to Education Code Section 87834 which is the sole remedy in this Article for failure to voluntarily pay the service fees.
 - b) New employees, within thirty (30) days from the commencement of actual employment, must submit a dues or service fee deduction authorization form, or shall pay an amount no greater than the current Federation dues directly to the Federation. Failure to do either shall mean involuntary deduction from wages pursuant to Education Code Section 87834 which is the sole remedy in this Article for failure to voluntarily pay the service fees.
 - c) Notwithstanding any other provision of this Article, any unit member who is a member of a religious body whose traditional tenets or teachings include objections

Either party may request a consultation meeting where they believe a resolution of a problem or problems may be feasible. The party requesting such a meeting shall, in writing, submit an agenda with sufficient detail to allow an understanding of the problem to be discussed or resolved and the date, place, and time requested. The receiving party shall, within five (5) work days, notify the requesting party of agreement as requested or at another date, time or place mutually agreed upon to the meeting. Meetings shall be held during Federation members' nonworking hours. Neither party shall have more than three (3) representatives at any such meeting unless mutually agreed to prior to the meeting. These meetings are not intended to bypass the Grievance Procedure and shall not constitute any invitation to renegotiate any provisions of the Agreement.

Section 15. RELEASED TIME:

Section 3. LECTURE HOUR EQUIVALENTS:

Lecture hour equivalent (LHE) value for Large Group Instruction classes shall be as follows (to be computed on the first (1st) census week enrollment):

<u>Number of Students</u>	<u>Lecture Hour Equivalents</u>
50 or less	1.0
51 - 65	1.2
66 - 75	1.4
76 - 85	1.5
86 - 100	1.6
101 - 120	1.8
121 - 140	1.9
141 - 175	2.1
176 - 215	2.3
216 - 260	2.5
261 - 310	2.7

The above figures apply to laboratory classes, except that the L.H.E. figures will be multiplied by seventy-five hundredths (0.75).

By mutual agreement between the instructor and the dean of instruction, adjustments in teacher workload based on the application of the above formula which would normally dictate the changing of an instructor of a class shall not be made until the following semester. By mutual agreement between the instructor and the dean of instruction, factors for lecture hour equivalents for lecture classes may be established by using the number which is the arithmetic mean of the number of students in all classes of the contract load for the instructor, computed on the first (1st) census week enrollment. The first (1st) census week enrollment reflects all new registrations, additions, and drops that are returned to the admissions and records offices by the end of the Friday that precedes Monday of the first (1st) census week; this Friday could be the thirteenth (13th), fourteenth (14th) or fifteenth (15th) day of the semester.

Section 4. WORK WEEK:

All unit members, including special assignment faculty (Article XIII Section 5), are required to perform contractual services forty (40) hours per week.

All full-time contract instructors shall be assigned the equivalent of 14-16 lecture hours per week. This range may be extended to 12-18 in individual instances by mutual agreement. Teaching loads

shall be balanced over a two (2) semester period to achieve the equivalent of 29-31 lecture hours per year.

Regular contract teaching assignments shall be scheduled within a daily span of time of nine hours or less. If deemed appropriate by management, exceptions may be allowed when the canceling of a course(s) in an instructor's assignment makes lengthening the span necessary to provide a full load. All other exceptions may be made only by agreement of the instructor.

Section 5. OFFICE HOURS:

Office hours shall be sufficient in number so that when office hours are combined with class hours an instructor shall normally have a total of at least twenty (20) hours weekly. All office hours shall be posted conspicuously for students. In no event will an instructor have fewer than three (3) office hours per week, and no instructor shall be required to have more than five (5) office hours per week.

At least one office hour shall be scheduled by unit members on days when they do not have classes scheduled. Said office hour may be rescheduled to another day under the following circumstances:

1. For unit member to perform assignment-related work off-campus.
2. For unit member to participate in professional development.
3. For unit member to develop curriculum.
4. For unit member to engage in college-related activity with students currently enrolled in one of his/her classes.

The instructor shall, not later than the day prior, inform his/her immediate supervisor of the need to reschedule the office hour and publish the rescheduled office hour conspicuously for students.

The instructor is responsible for attending meetings including all meetings called by administration, curriculum, department, faculty, or committee on non-teaching days.

The instructor may not reschedule an office hour during a week when students specify a need for his/her office hour assistance on a non-teaching day.

The rescheduling of an office hour may not exceed more than one (1) day in any full five (5) day work week period. Exceptions warranted by special circumstances may be authorized by the college president or the unit member's immediate supervisor.

Section 6. CALENDAR:

The week preceding Easter will be vacation days for all bargaining unit members. Duty days shall be one hundred seventy-seven (177) in each school year. Teaching faculty members shall attend meetings called by the president, vice president, dean, or department chairperson on duty days prior to the beginning of instruction each semester.

One flexible schedule day shall be provided at the beginning of each semester, unless the District and the Senates mutually agree otherwise. Faculty members may request to reschedule a "flex day" at a time other than the date at the beginning of the fall and spring semester(s) for a specific educationally related activity which is beneficial to the education of students, providing such alternate schedule is management approved and within the normal travel and conference budget expenses. Any approved rescheduled "flex day" must occur within the academic year from which it was rescheduled and must be outside of the individual faculty member's regular contract and overload teaching schedule as assigned. Weekday evenings and/or weekend days are permissible. Evening and/or weekend assigned time cannot be counted. Faculty scheduling alternate flex day activities are responsible for the reporting requirements required in regulation.

Section 7. LABORATORY HOUR EQUIVALENTS:

Beginning in January, 1994, the District will assign seventy-five (0.75) hundredths lecture hour to each laboratory class.

Section 8. SPECIAL COURSES:

The Federation recognizes the District's right and responsibility to offer experimental courses. It is understood that sections of such courses may be offered with fewer students required than the normal class size minimum.

It is further understood that such sections as well as courses necessary for students to complete majors and sequences may be offered with fewer students required than the normal class size minimum.

Section 9. CANCELLATION OF COURSES:

All contracts and/or "employment agreements" will be approved and mailed to unit members by the Associate Vice Chancellor, Human Resources.

If sections of courses are canceled, it is the District's responsibility to provide a full assignment as defined in Article XII, Section 4.

Section 10. DEPARTMENT CHAIR RELEASED TIME:

Department chairs approved for released time shall be given twenty percent (20%) released time per academic year, except in cases where the college determines that such release would have a significant adverse impact upon a college program. In such cases the department chair will be compensated on Salary Schedule "C."

Section 11. REASSIGNED TIME FOR FACULTY SENATE:

- A. The district agrees to provide the Academic Senates at Fresno City College and Reedley College reassigned time of the equivalent of 1.5 FTE each for the conduct of faculty senate activities as follows: (1) perform faculty senate duties and responsibilities, (2) direct, coordinate or participate on faculty senate subcommittees or on campus or district committees to which the senate has member appointment rights or programs. Such reassigned time shall be agreed to and scheduled prior to the beginning of each semester.
- B. A unit member may be reassigned to perform faculty senate duties described in paragraph A above except in cases when the College president determines that such reassigned time would have a significant adverse impact upon the college program. The reassigned time in addition to a unit member's regular assignment shall equal a full-time assignment.

Section 12. DISTANCE EDUCATION:

- A. Definition: Distance Education is a method of instruction where the instructor and student are physically separate for most, if not all, of the instruction. Interaction is mediated by some form of technology, - e.g. audio, video, and computer – that allows for students and the instructor to engage in the educational process.
- B. Teaching Load Factor: A unit member teaching a distance education course (as designated by the College District) shall receive LHE credit on the ratio of four (4) LHE per three (3) units taught. LGI factors shall apply to distance education courses in the same manner as for traditional courses. Unit members teaching distance education courses must teach at least 40% of his/her load on campus per semester. The District may allow a unit member to teach less than 40% of his/her load on campus per semester, provided there is mutual agreement between the President or Vice Chancellor North Centers or their designee and unit member.
- C. Course Development Factor: A unit member assigned by the Vice President of Instruction to develop or redevelop a course for distance education shall receive released time during the semester when the course is being developed. The ratio of released time shall be one (1) LHE per one (1) unit of course development.
- D. Office Hours: Office hours held by unit members teaching a distance education course shall be consistent with the provisions of Article XII, Section 5. OFFICE HOURS.
- E. The District and the Federation agree that if and when guidelines regarding training for and evaluation of distance education instructors are approved on a districtwide basis, the two parties will seek to reach agreement regarding aspects which are mandatory subjects of negotiation for inclusion in a Memorandum of Understanding.

Section 13. ASSIGNMENT:

Assignment to more than one location within a College shall be at the discretion of the District and shall take into consideration any aspects related to the assignment, such as necessary travel time between locations. However, faculty members, including special assignment faculty, shall be entitled to consultation with the immediate supervisor regarding their assignment. Mileage shall be paid in accordance with Article XVII, Section 2.

**ARTICLE XIII
FACULTY CONDITIONS**

Section 1. EVALUATION OF FACULTY:

TENURE REVIEW/EVALUATION OF CONTRACT EMPLOYEES

A. PURPOSE

The tenure review process should ensure that students have access to the most knowledgeable, talented, creative, and student-oriented faculty available. A four-year probationary period provides sufficient time for certificated contract employees to understand the expectations for tenure, to continue developing skills and acquiring experience to participate successfully in the educational process, and to use the District's and other resources for professional growth. The tenure review process should promote professionalism, enhance academic growth, and evaluate contract employees relative to continued employment consideration by providing a useful assessment of performance, using clear evaluation criteria.

B. PROCEDURES

1. Contract provisions for the evaluation of the contract certificated faculty shall be clarified for tenured faculty and supervisors early in the college year by District and Federation representatives.
2. A contract employee's evaluation committee shall consist of three (3) members, including two tenured department members (from contract employee's discipline, whenever possible) and the immediate supervisor (or his/her representative). If the department of the contract employee does not have two tenured faculty, division members may be used. Faculty members shall be drawn randomly by the department chair from the discipline/department pool of volunteers. At a department's discretion, the department chair may serve regularly as one of two faculty members on the committee. - The transfer request is forwarded for approval to the office of the relevant College President/Vice Chancellor North Centers
- A suitable replacement is found for the position being vacated by the applicant

Any such transfer shall be considered permanent only upon the completion of each and every condition precedent stated above.

The District reserves the right to open to outside applicants any subsequent full-time position resulting from the transfer.

Any unit member accepted by another college will be permitted to make the transfer when a suitable replacement is found. Any such transfer shall be considered permanent.

Involuntary Transfer:

An involuntary transfer is initiated by the District, and shall not be done capriciously or as a punitive action.

Where the District finds it necessary to transfer an employee from one college to another, qualified volunteers will be sought. Where there are no qualified volunteers, the District will determine which qualified person is to be transferred.

Transferees involuntarily transferred from one college to another to meet District needs shall be returned to the original college, upon request, to fill a vacancy which occurs for which the transferee is deemed qualified.

If a split assignment between campuses is made to a unit member and that split assignment requires the unit member to travel additional miles, the District will pay mileage for travel for the additional miles.

Section 9. USE OF FACILITIES:

Unit members may use District physical education facilities during regular work hours when the facilities are not in use for classes, athletic events, or authorized special events, provided the facility is open or an authorized District employee is available "to open and secure" the facility. Unit members will be required to abide by institutional rules in effect at each campus.

Section 10. ACADEMIC ATTIRE:

Academic attire required by the District for unit members to wear at the graduation ceremony shall be provided at District-expense. Academic attire includes cap, gown and hood.

Section 11. PERSONNEL RECORDS:

Materials in the personnel file of a unit member which may serve as a basis for affecting the status of his/her employment are to be made available for inspection by the person involved.

By law, such material is not to include ratings, reports, or records: (1) which were obtained prior to the employment of the person involved, (2) were prepared by identifiable examination committee members, or (3) were obtained in connection with a promotional examination. Materials not to be made available to the unit member shall be kept in a separate envelope within the personnel file.

Every unit member shall have the right to inspect material in his/her personnel file at any time mutually convenient to the employee and the District. The unit member may be accompanied by a Federation representative, if desired, or a Federation representative may inspect such materials individually at the request of the unit member.

Any complaints made by any person directed toward a unit member deemed serious enough to become a matter of formal record, shall be promptly called to the unit member's attention, by copy, and the unit member given an opportunity to respond.

An employee is entitled to know the identity or source of all such complaints. (Any retaliatory action shall be deemed to be unprofessional conduct.)

The unit member shall acknowledge that such material has been read by affixing his/her signature and the date on the actual copy to be filed, with the understanding that his/her signature signified only that the material has been read and does not indicate agreement with its contents.

The unit member shall have ten (10) working days from the date he/she receives a copy to respond in writing before any derogatory material or a complaint regarding a unit member will be placed in his/her personnel file and to have such comments attached to the material in question.

The content of material in personnel files shall not be subject to Article XVI, Grievance and Arbitration Procedure of this Agreement.

During the ten (10) day period, the content of material to be added to the personnel files shall be subject to the Complaint Procedure. (Refer to District Policy and Regulations)

The official files for all personnel shall be housed and maintained at the District office, except that files containing official evaluations, job-performance related data, directives, complaints, and other personal communications will be located in the college president's office.

Materials being held out of a personnel file due to a grievance may be submitted as evidence in a punitive action. No other performance evaluation materials outside the personnel file may be used as evidence in a punitive action.

Personnel files for certificated personnel shall be maintained by the District Office.

The following material should be obtained for, and retained in, all certificated/academic personnel files located in the District Human Resources Office:

- (4) Any unit member who is on paid status while on sick leave, sabbatical, or other paid leave shall continue to earn all leave benefits to which entitled if employed full time. A

unit member who is on other leaves of absence without pay shall retain all accumulated sick leave benefits but shall not accrue any additional sick leave benefits during such periods of absence.

- (5) Where a unit member in a position requiring certification qualifications has exhausted his/her sick leave benefits and is absent from work because of illness or accident for a period of five (5) school months or less, whether or not the absence arises out of or in the course of the employment of the unit member, the unit member shall receive fifty percent (50%) of his/her regular salary during the period of such absence up to a maximum of five (5) school months.
- (6) Sick leave credit received by transfer from the previous employer of a new unit member shall be accepted pursuant to the provisions and limitations provided in the Education Code.

It shall be the responsibility of the unit member to notify the Chancellor's Office, in writing, of the name and address of the district by which he/she was last employed and request credit for the accumulated leave of absence for illness or injury to which he/she is, or was, entitled at the time of separation.

- (7) All sick leave rights or accumulations shall be canceled when a full-time unit member severs all official connection with the District as an employee, except that accumulated sick leave may be transferred to a subsequent employing district upon request pursuant to the provisions of the Education Code.
- (8) Any unit member shall have the right to utilize sick leave necessitated by pregnancy, miscarriage, childbirth, and recovery there from.
- (9) At the time a unit member begins his/her contracted employment for the academic year, he/she shall be provided with a current accounting of his/her accumulated sick leave.
- (10) Any unit member utilizing sick leave benefits under provisions of this Article shall provide the administration with a signed absence report (Form No. P-1), and, if absent five (5) or more consecutive duty days, shall provide the administration, upon return, with a statement from a physician verifying his/her fitness to return to duty. A member absent for more than five (5) duty days shall notify their immediate supervisor of his/her approximate return date.
- (11) Sick leave may be utilized by any unit member placed under quarantine on the same basis as though this unit member were ill.

B. Sick Leave Bank:

- (1) The Sick Leave Bank program shall be administered by a District/Federation committee composed of five (5) members: three (3) appointed by the Federation, and two (2) appointed by the District.
- (2) The Sick Leave Bank program shall continue from year to year.
- (3) The parties agree that a Sick Leave Bank shall be established to assist unit members who suffer a long-term illness.

 - a) Contributing one (1) day of sick leave during the first (1st) full month following the signing of this Agreement; or
 - b) Contributing one (1) day of sick leave during the first (1st) month of a unit member's employment; or
 - c) New participants may annually join the program during the month of September.
- (5) The District shall contribute one (1) sick leave day for each four (4) days of personal sick leave days contributed by participating unit members.
- (6) Whenever the Sick Leave Bank becomes depleted, each participating unit member will be taxed a maximum of one (1) additional day per year from his/her accumulated sick leave bank to restock the bank. Sick leave days placed in the bank by participating unit members:
 - a) May not subsequently be withdrawn from the bank excepting as they are used for sick leave purposes as defined herein;
 - b) May not be transferred to another district should that unit member obtain employment elsewhere;
 - c) May only be used by participating unit members currently employed by the District;
 - d) May not be withdrawn at the time of retirement.
- (7) A unit member may withdraw from participation in the Sick Leave Bank program at any time by notifying the committee of such withdrawal; however, any days contributed previously may not be withdrawn.

- (9) On a half (2) pay basis only, the Sick Leave Bank may be drawn upon to supplement the fifty percent (50%) pay provision of the District's one hundred (100) day additional sick leave during the time a unit member is eligible for that provision coverage.
- (10) There shall be a maximum number of forty (40) withdrawal days per participating unit member per year.
- (11) A participating unit member using Sick Leave Bank days shall not have to replace those days except as a regular contributing member to the bank.

Section 2. INDUSTRIAL ACCIDENT AND ILLNESS LEAVE:

- A. For accidents or illnesses which are job-incurred, unit members shall be provided leave benefits under the following provisions:
 - (1) Allowable leave shall be sixty (60) days during which the schools of the District are required to be in session or when the unit member would otherwise have been performing work for the District in any one (1) fiscal year for the same accident.
 - (2) Allowable leave shall not be accumulated from year to year.
 - (3) Industrial accident or illness leave shall commence on the first (1st) day of absence.
 - (4) When a certificated unit member is absent from his/her duties on account of an industrial accident or illness, he/she shall be paid such portion of the salary due him/her for any month in which the absence occurs as, when added to his/her temporary disability indemnity under Division 4 or Division 4.5 (commencing with Section 6100) of the Labor Code, will result in a payment to him/her of not more than his/her full salary.

The phrase, "full salary," as utilized in this section shall be computed so that it shall not be less than the unit member's "average weekly earnings" as that phrase is utilized in Section 4453 of the Labor Code. For purposes of this section, however, the maximum and minimum average weekly earnings set forth in Section 4453 of the Labor Code shall otherwise not be deemed applicable.

- (5) Industrial accident or illness leave shall be reduced by one (1) day for each day of authorized absence regardless of a temporary disability indemnity award.
- (6) When an industrial accident or illness leave overlaps into the next fiscal year, the unit member shall be entitled only to the amount of unused industrial accident or illness leave due him/her for the same illness or injury.
- (7) Termination of the industrial accident or illness leave, the unit member shall be entitled to the benefits provided in Education Code Sections 87781 and 87786, and for the purposes of each of these sections his/her absence shall be deemed to have commenced on the date of termination of the industrial accident or illness leave, provided that if the unit member continues to receive temporary disability indemnity, he/she may elect to take as much of his/her accumulated sick leave which, when added to his/her temporary disability indemnity, will result in a payment to him/her of not more than his/her full salary.

(See Sick Leave, Article XIV-A, Section 1).

- (8) During any paid leave of absence, the unit member may endorse to the District the temporary disability indemnity checks received on account of his/her industrial accident or illness. The District, in turn, shall issue the unit member appropriate salary warrants for payment of the unit member's salary, and shall deduct normal retirement, other authorized contributions, and the temporary disability indemnity, if any, actually covered by such salary warrants.
- (9) Any unit member receiving benefits as a result of this section shall, during periods of injury or illness, remain within the State of California, unless the Board of Trustees authorizes travel outside the state.
- (10) When all available leaves of absence have been exhausted and the unit member is not medically able to return to all the duties of his/her prior assignment, the District shall provide first (1st) priority in assigning such a person into classes where his/her disability, at the discretion of the District, does not hinder the performance of the duties required of him/her if he/she is otherwise qualified.

Section 3. BEREAVEMENT LEAVE:

- A. Unit members may be granted, without loss of salary, or other benefits, leave of absence not to exceed three (3) working days (five (5) working days if out-of-state travel is required) per occurrence on account of the death of any member of the unit member's immediate family. Bereavement leave may be extended through the use of "personal emergency leave," Article XIV-A, Section 6.

- B. "Member of the immediate family," as used in this section, means the mother, father, grandmother, grandfather, or grandchild of the unit member or of the unit member's spouse, and the spouse, son, son-in-law, daughter, daughter-in-law, brother, brother-in-law, sister, sister-in-law, or any relative living in the immediate household of the unit member, or step-mother, step-father, step-daughter or step-son.
- C. An extension of bereavement leave may be requested by the unit member, but such extension shall be without salary for the period of time covered by the extension.
- D. A bereavement leave of one (1) day per occurrence may be granted, without loss of salary, on account of the death of any close friend or colleague not included as a "member of the immediate family" where the unit member has responsibility for carrying out personal business and funeral arrangements attendant to the death.
- E. Bereavement leave may be granted, without loss of salary for the time necessary to attend the funeral of a district colleague conditioned upon the following:
 - 1. The unit member receives written permission from the Vice President of Instruction or designee;
 - 2. The unit member's absence does not result in the unit member being unavailable to teach any assigned class unless such unavailability is made unavoidable by the date and time scheduled for the funeral;
 - 3. Written application shall be made to the Vice President of Instruction or his/her designee NOT later than two (2) working days in advance of the date and time for leave unless special circumstances necessitate a later application.

Section 4. QUARANTINE:

All unit members are entitled to receive full salaries when quarantined by the County Health Officer because of another's illness. Such quarantine must be verified by the County Health Officer.

Section 5. JURY DUTY LEAVE:

- A. When regularly called for jury duty in the manner provided by law, a unit member shall be granted a leave of absence without loss of pay for the time he/she is required to perform jury duty during the unit member's regularly assigned working hours.
- B. Requests for jury service leave should be made by presenting as soon as possible the official court summons to jury service to the unit member's immediate supervisor and to the District payroll office through regular administrative channels.

- C. Reimbursement to the District of any monies earned as a juror, except mileage, shall be made by the unit member.
- D. A unit member regularly called for jury duty shall not be encouraged in any way to seek exemption from such duty nor shall he/she be discriminated against in any way for not seeking such exemption.
- E. Unit members are required to return to work during any day in which jury duty services are not required.
- F. The District may require verification of jury duty time prior to, or subsequent to, providing jury duty compensation.

Section 6. PERSONAL EMERGENCY LEAVE:

- A. A unit member may be granted a maximum of six (6) days leave of absence in any college year, at his/her election, without loss of pay, in cases of personal emergency. Such leave shall be deducted from the unit member's accumulated sick leave.
- B. Personal emergencies include serious illness or death of a member of his/her immediate family; an accident involving his/her person or property or the person or property of a member of his/her immediate family; appearance in court as a litigant or as a witness under an official order.
- C. "Immediate family" will be interpreted to mean the mother, father, grandmother, grandfather, or grandchild of the unit member or of the spouse of the unit member, and the spouse, son, son-in-law, daughter, daughter-in-law, brother, brother-in-law, sister, sister-in-law, or any relative living in the immediate household of the unit member, or step-mother, step-father, step-daughter, or step-son.
- D. Two (2) of the six (6) days may be granted for any reason deemed appropriate by the member and with prior approval of the supervisor, and in no case will there be more than two (2) employees off at any one time in any work unit under this paragraph.
- E. Verification of personal emergency leave shall be made on the form approved by the District and signed by the unit member.

Section 7. SABBATICAL LEAVE:

- A. Sabbatical leaves shall be granted to unit members, under provisions of the Education Code, for the purpose of carrying out an approved program which will enable the unit member to provide improved service to the District and its students. Consideration will be given to programs which involve an appropriate program of organized study, research, or travel.
- B. Sabbatical leave application, processing, approval, and compensation for unit members for fiscal year 2006-07 and thereafter shall be in accordance with the following provisions:
 - (1) Faculty members may apply for a sabbatical leave during their sixth consecutive year of full-time service, or during their sixth consecutive year of full-time service following a sabbatical leave, such that the faculty member will have completed six consecutive years of full-time service by the beginning of his or her sabbatical leave. After completing a sabbatical leave, a unit member is not again eligible to apply for such leave until he/she has served on a full-time basis for at least six (6) additional consecutive years. A leave for health, maternity, military service, or professional improvement, while not constituting a break in continuity of service, will not count as one of the six (6) years required for sabbatical eligibility.
 - (2) The District shall allocate funds in the District budget for financing of sabbatical leaves for up to a maximum of twelve (12) of the eligible unit members. Apportionment of sabbatical leaves between the District colleges shall be as follows: the number of leaves assigned to Fresno City College and Reedley College-North Centers shall be based upon the ratio of full-time faculty members at Fresno City College and at Reedley-North Centers to the total of all faculty employed by the State Center Community College District.
 - (3) If an insufficient number of candidates apply, or if an insufficient number of applications are recommended by the Committee for Sabbatical Leave as having met the written criteria for sabbatical leave consideration, the application period will be extended for an additional three (3) weeks. All faculty shall be notified of the extension and reasons for such. If, after the extension an insufficient number still fails to meet the minimum written qualifications, the President may recommend fewer leaves than that number allocated to the college.
 - (4) Leaves granted will be distributed among the various divisions of a college so as not to impair the instructional program.
 - (5) The unit member applying for a sabbatical leave will agree to serve the District for at least two (2) years immediately following completion of the leave. The unit member

is expected to complete his or her sabbatical leave as indicated in his or her approved sabbatical leave proposal.

- (6) Each unit member applying for sabbatical leave shall submit a formal application (Form No.P-21) to the appropriate Committee for Sabbatical Leaves prior to November 1 of the academic year preceding the academic year of the proposed leave. The committee at each college shall consist of the Vice President of Instruction, acting as chairperson, the division dean or comparable positions, and an equal number of faculty members appointed by the President of the Academic Senate.

The Vice President of Student Services will serve as an ex-officio member when considering applications from the counseling student services staff.

The committee at each institution shall provide the college president with a recommended rank order of leave applications which shall be submitted to the Chancellor, along with the president's recommendations, if any, for subsequent presentation to the Board of Trustees.

Applications submitted after the deadline date will be given consideration when accompanied by valid reasons. Valid reasons normally will be limited to government, professional, or academic programs which materialize after the deadline date.

- (7) Within one (1) semester after return to duty, a unit member who has completed a sabbatical leave will submit to the Committee for Sabbatical Leaves and for distribution among faculty a written report covering the period of the sabbatical. When applicable, a transcript or other evidence of completion of the planned program will accompany this report. A copy of each sabbatical leave report, together with the committee's evaluation, shall be forwarded through the college president's office to the District Chancellor not later than one (1) semester after return to duty.

If the Committee's evaluation reflects that the sabbatical leave report is unacceptable and/or the terms and conditions of the sabbatical were not fully met, the unit member has one additional semester to rectify the problem. If the evaluation remains "unacceptable" at the conclusion of the semester, the District has the right to reclaim through automatic payroll deduction from the unit member that percentage of the sabbatical stipend that in the Committee's viewpoint reflects the unit member's degree of incompleteness.

- (8) Compensation while on sabbatical leave will be computed in accordance with the salary schedule in effect during the period of leave and will be paid in equal monthly payments. A sabbatical leave will be counted as service and experience on the salary schedule.

- (9) Sabbatical leaves may be granted as follows:
- a) One (1) semester at one hundred percent (100%) of full salary, or
 - b) One (1) full academic year at sixty-five percent (65%) of full salary, or
 - c) Two (2) semesters within three (3) academic years at sixty-five percent (65%) of full salary. If the option of two (2) semesters within three (3) academic years is elected, the service between semesters will be credited toward a subsequent sabbatical.
- (10) Unit members on a full-year sabbatical may work for outside employers (or themselves) and receive remuneration, so long as the combined income from the District's 65% salary payment and the outside remuneration does not exceed 100% of what the unit member would receive on the regular faculty salary schedule. Any excess amounts shall adjust the District's 65% salary payment downward to maintain the 100% salary figure. Outside income that a unit member previously and regularly received during a school year is not affected by the provisions of this section, which apply only to additional employment that a unit member secures during the sabbatical year. Income that a unit member may receive from an employer as a part of his or her sabbatical leave also is not affected by the provisions of this section. Unit members, on a one-semester leave, upon approval may work for outside employers and receive remuneration if the income was previously and regularly received during the prior two school years. Additional employment must receive prior approval from the Sabbatical Leave Committee.
- (11) Time on sabbatical leave will count towards retirement. The District shall pay retirement benefits and fringe benefits for the unit member on leave. District paid health and welfare benefits shall end if the employee receives reasonably comparable health and welfare benefits (including dependent coverage) from any other employer.

Section 8. GRANT LEAVE:

- A. A grant leave is a leave to permit a regular faculty member to accept a grant to teach, lecture, or do research for a public or private institution or a city, county, state, federal, or foreign government. Such service should result in the employee's rendering more effective service to the District upon return.
- B. Leave may be granted for a maximum of one (1) year.
- C. District may compensate unit member on leave by paying the difference between the amount of the grant and the unit member's regular salary.

- D. District shall pay retirement benefits and fringe benefits for the unit member on leave. District paid health and welfare benefits shall end if the employee receives reasonably comparable health and welfare benefits (including dependent coverage) from any other employer.
- E. All unit members who have satisfactorily completed six (6) consecutive years of full-time service in this District will be eligible to apply for a grant leave. A leave for health, maternity, military service, or professional improvement, while not constituting a break in continuity of service, will not count as one of the six (6) years required for grant leave eligibility.
- F. The unit member applying for a grant leave will agree to serve the District for at least twice the time approved for the grant leave immediately following completion of the leave.
- G. Eligibility:
 - (1) The unit member shall submit to the college president a request for Grant Leave;
 - (2) The request shall be submitted at least one (1) semester prior to the semester in which the leave is granted;
 - (3) The college president shall consider the Grant Leave request on the basis of enhancing the unit member's professional growth;
 - (4) The District contributions toward the unit member's regular salary shall not exceed twenty (20) percent;
 - (5) Unit members on Grant Leave shall not exceed three (3) at Fresno City College and one (1) at Reedley College;
 - (6) The president shall forward the Grant Leave request to the Board of Trustees with a recommendation.

- D. Any such leave granted, however, shall not count as a break in continuity of service to the District.
- E. The District agrees to pay the District insurance contribution when a unit member is on a health leave.

Section 5. PERSONAL AND PARENTAL LEAVE:

- A. Any unit member may be granted a leave for a specific reason deemed appropriate including leave to care for a child, at the convenience of the District.

- (2) This statement shall include a copy of the original grievance and a written copy of the decision rendered by the unit member's supervisor or designee.
- (3) The college president, or his/her designee, shall communicate the decision to the grievant in writing within seven (7) days of receiving the appeal. Either the grievant or the college president, or his/her designee, may request a personal conference within the above time limits.

 - a) Only the Federation (exclusive representative) may demand arbitration.
- (2) Powers of the Arbitrator: It shall be the function of the arbitrator and he/she is empowered, except as his/her powers are herein limited, after due investigation, to make a decision in cases of alleged violation of the specific articles and sections of this Agreement and to determine the arbitrability of any grievance where arbitrability is questioned by either party.
- (3) The arbitrator shall have no power to:
 - a) Add to, subtract from, disregard, alter, or modify any of the terms of this Agreement;

 - [1] Termination of services of, or failure to reemploy, any first- or second-contract unit member;
 - [2] Any matter involving any unit member's evaluation, except procedural matters;
 - d) All fees and expenses of the arbitrator shall be shared equally by the Board and the Federation. Other expenses shall be borne by the party incurring them. Neither party shall be responsible for the expense of non-employee witnesses called by the other.
- (4) The decision of the arbitrator shall be final and binding on all parties.

ARTICLE XVII COMPENSATION

Section 1. SALARY

2006-2007 Salary

Effective July 1, 2006, the District shall provide for the 2006-2007 school year an increase equivalent to the Statutory Cost-of-Living Adjustment (5.92%) to each cell of the salary schedule which was in effect during the 2005-2006 school year for unit members. The District shall provide to each bargaining unit member who was in paid work status on September 1, 2006, a one-time non-repetitive (off schedule) stipend in the amount of \$100.00.

2007-2008 Salary

Effective July 1, 2007, the District shall provide for the 2007-2008 school year an increase equivalent to the Statutory Cost of Living Adjustment to each cell of the salary schedule in effect during the 2006-2007 school year for unit members. In addition, if the District exceeds the Second Principal Apportionment Report (P2) for the previous year's actual credit FTES by 3%, the District will increase each cell of the 2006-2007 salary schedule by an additional 1% effective July 1, 2007. If the actual credit FTES growth is less than 3%, the 1% increase will only be paid in the same ratio the actual growth bears to 3%.

The Statutory Cost-of-Living Adjustment shall be defined as that percentage amount included for California Community Colleges as contained in the 2007-2008 California State Budget Act to the extent that it is actually funded.

*Example

Suppose the Statutory Cost-of-Living Adjustment for the 2007-08 school year for California Community Colleges is 3.0%, then each cell of the salary schedule in effect for 2006-07 would be increased by the sum of 3.0%. However, if the cost of living adjustment for 2007-08 is 3.0% but is funded through the state budget at only 2.5%, then each cell of the salary schedule in effect for 2006-07 would be increased by 2.5%. If, at anytime during the term of this Agreement, the unfunded amount of 0.5% is restored or partially restored and paid to the District, it shall, to the extent paid to the District, be applied retroactively to the salary schedule for bargaining unit members in paid work status on the date the District is actually paid said funds by the state. Additionally, if the District's actual credit FTES growth for the 2006-07 year meets or exceeds 3%, as reported on the 2006-07 Second Principal Apportionment Report (P2), then each cell of the salary schedule for the 2007-08 school year shall be increased by an additional 1% effective July 1, 2007. However, if the actual credit FTES growth for the 2006-07 is 2.5%, the District will calculate the ratio of actual growth bears to 3% (2.5% divided by 3% or 0.83%) and each cell of the salary schedule for the

2007-08 school year shall be increased by an additional 0.83% effective July 1, 2007.

2008-2009 Salary

Effective July 1, 2008, the District shall provide for the 2008-2009 school year an increase equivalent to the Statutory Cost of Living Adjustment to each cell of the salary schedule in effect during the 2007-2008 school year for unit members. In addition, if the District exceeds the Second Principal Apportionment Report (P2) for the previous year's actual credit FTES by 3%, the District will increase each cell of the 2007-2008 salary schedule by an additional 1% effective July 1, 2008. If the actual credit FTES growth is less than 3%, the 1% increase will only be paid in the same ratio the actual growth bears to 3%.

The Statutory Cost-of-Living Adjustment shall be defined as that percentage amount included for California Community Colleges as contained in the 2008-2009 California State Budget Act to the extent that it is actually funded.

*Example

Suppose the Statutory Cost-of-Living Adjustment for the 2008-09 school year for California Community Colleges is 3.0%, then each cell of the salary schedule in effect for 2007-08 would be increased by the sum of 3.0%. However, if the cost of living adjustment for 2008-09 is 3.0% but is funded through the state budget at only 2.5%, then each cell of the salary schedule in effect for 2007-08 would be increased by 2.5%. If, at anytime during the term of this Agreement, the unfunded amount of 0.5% is restored or partially restored and paid to the District, it shall, to the extent paid to the District, be applied retroactively to the salary schedule for bargaining unit members in paid work status on the date the District is actually paid said funds by the state. Additionally, if the District's actual credit FTES growth for the 2007-08 year meets or exceeds 3%, as reported on the 2007-08 Second Principal Apportionment Report (P2), then each cell of the salary schedule for the 2008-09 school year shall be increased by an additional 1% effective July 1, 2008. However, if the actual credit FTES growth for the 2007-08 is 2.5%, the District will calculate the ratio of actual growth bears to 3% (2.5% divided by 3% or 0.83%) and each cell of the salary schedule for the 2008-09 school year shall be increased by an additional 0.83% effective July 1, 2008.

Salary Dispute

Any dispute pertaining to the salary provisions contained herein for the 2007-08 and 2008-09 school years is subject to the Grievance Procedure of this Agreement except, however, that only the Federation may bring a grievance concerning such implementation and any such grievance must be filed within ten (10) days of notice from the District of any proposed implementation of these provisions. The District will notify the Federation concerning its calculations pursuant to the salary provisions contained herein. Such notification shall be in writing. If the Federation disagrees with the calculations, it shall notify the District within ten (10) days. Such notice of the disagreement shall include calculations prepared by the Federation. The District may implement its proposed

calculations, the proposed calculations from the Federation, or attempt to resolve the disagreement. If the matter cannot be satisfactorily implemented or resolved by mutual agreement, the parties shall agree to reopen negotiations regarding salaries, at which time these salary formula provisions shall be of no force or effect.

Coaching Stipends:

For Coaching Stipends refer to Exhibit D.

MFA Degree:

SALARY SCHEDULE "A" shall include the statement: A Master of Fine Arts (MFA) degree shall be compensated with a stipend equal to doctoral degree if a committee composed of two faculty and two management employees, all with doctoral degrees, determine the MFA is the terminal degree in an area of study equivalent to a doctorate degree and the MFA is awarded from an institution accredited at the time the degree was granted.

Part-Time (Adjunct) Teaching Credit for Initial Placement on the Salary Schedule

Effective July 1, 2004, initial placement on the salary schedule shall include part-time (adjunct) teaching credit (to include librarians, counselors, coordinators, colleges nurses, vocation training center and tutorial instructors) at any post-secondary institutions which are accredited by the appropriate regional accreditation agency at the time the teaching experience occurs, and must be verified by official documentation.

For each accumulated amount of thirty (30) lecture hour equivalents (LHE), one (1) year of placement shall be credited on the initial placement of the salary schedule up to a maximum of four (4) years. In no event shall placement exceed step 6 when part-time teaching experience is combined with full-time teaching experience. Example: A part-time faculty member who has taught 3.3 semesters at 9 LHE would be initially placed at Step 2.

Section 2. TRAVEL OFF CAMPUS/MILEAGE:

Travel compensation for teaching off-campus classes is based upon the principle that all unit members report to campus duty at their own expense. Additional travel required to perform a District assignment is at District expense. Computation of the amount of travel compensation will be based upon the number of additional miles an off-campus assignment causes to be traveled over the miles traveled to teach on campus. Mileage compensation shall be at the rate per mile as established by the Internal Revenue Service (IRS) as the standard business deduction. The mileage rate shall become effective upon notification by the Chancellor. This provision does not apply to classes taught on overload.

Section 3. DIRECT DEPOSIT

The District shall, as soon as is practicable, implement electronic transfer of payroll to unit members' personal bank or trust account unless the unit member otherwise declines the electronic transfer by filing an appropriate written notice with the District Business Office.

- C. Incentive stipends are to be paid in two equal installments. The first installment shall be paid shortly after separation. The second installment shall be paid in January of the tax year following retirement. To be eligible to receive the incentive stipend, the retiree must have applied for S.T.R.S. retirement and must begin receiving his/her S.T.R.S. retirement allowance immediately following retirement separation from the District.

<u>Age on effective date of retirement:</u>	<u>Incentive</u>	
Age 56:	\$14,000	To be eligible for the stipend, faculty must notify the District Office of intent to retire by April 30 of the year before their final school year of teaching. Exceptions to the notification deadlines must be approved by the chancellor.
Age 57:	\$12,000	
Age 58:	\$10,000	
Age 59:	\$ 8,000	Faculty members must have 15 years with the District to be eligible.
Age 60:	\$ 6,000	Age 62 and older-No incentive.
Age 61:	\$ 5,000	

In lieu of the above decreasing incentive, a special one-time-only incentive bonus of \$14,000.00 will be granted to any bargaining unit member age 56 or older who chooses to retire at the end of the fall term 2007 but no later than January 2, 2008, or who chooses to retire at the end of spring term 2008 but no later than June 30, 2008. In addition to paragraphs A, B and C above, faculty members must also have 15 years with the District to be eligible for this incentive. Faculty members planning to retire during 2007-08 must submit their letter of intent to the District no later than October 12, 2007, for retirement at the end of fall semester 2007, and November 16, 2007, for retirement at the end of the spring semester, 2008.

- D. Faculty members retiring under this Early Retirement Incentive Plan may teach up to a one-fifth teaching load during the year immediately following retirement (August through June or Spring/Fall). Salary shall be on an hourly basis calculated upon the unit member's Schedule A salary at time of retirement. The total hourly compensation under this incentive program shall not exceed twenty (20%) percent of the unit member's Schedule A salary paid at the time of retirement, and in no event shall it exceed the maximum earnings allowed by S.T.R.S. Counselors, nurses, librarians and tutorial staff may work up to a one-fifth load within their area of expertise. Subsequent assignments under this Early Retirement Incentive Program must be mutually agreed upon on an individual basis at the discretion of the college president.

- E. This Early Retirement Incentive Program for full-time certificated bargaining unit members shall be in effect for the term of this contract only, and shall expire at the end of the academic year on June 30, 2009, and shall thereafter not be considered a status quo by the parties.

ARTICLE XIX **INTELLECTUAL PROPERTY RIGHTS**

1.0 Purpose

The District and the Federation have a mutual interest in establishing an environment that fosters and encourages the creativity of individual unit members. In accordance with that mutual goal, the purpose of this Article is to identify the owners of the copyrights to certain works that may be created by unit members.

2.0 Definitions

2.1 “Works” means any material that is eligible for copyright protection under the laws of the United States including but not limited to books, articles, dramatic and musical compositions, poetry, instructional materials (e.g. syllabi, lectures, student exercises, multimedia programs, and tests), fictional and non-fictional narratives, analyses (e.g. scientific, logical, opinion, or criticism), works of art and design, photographs, films, video and audio recordings, computer software, architectural and engineering drawings, and choreographic works and pictorial or graphic works fixed in any tangible medium or expression.

2.2 “Copyright Rights” shall include all rights recognized under Section 106 of the Copyright Act of 1976, as amended.

2.3 “Work for Hire” shall have the same meaning as provided under Section 101 of the Copyright Act of 1976 as amended:

- a. A District-supported work prepared within the scope of employment.

“District-Supported Work” shall mean a work produced that is the result of the unit member’s having received appreciable amounts of additional District support beyond that normally provided by the District in the performance of the member’s assignment. District-supported work does not include works made in the course of the unit member’s independent efforts.

b. A work specifically ordered or commissioned if the parties expressly agree in a written instrument signed by them that the work shall be considered a work for hire.

2.4 “Independent Efforts” shall mean that the ideas for the work came from the unit member; the work was not made with appreciable amounts of additional district support beyond that normally provided by the district in the performance of the unit member’s assignment; and the district is not responsible for the opinions expressed in the work by the author.

2.5 “License” means permission to use a work. An exclusive license gives the copyright owner sole permission to claim the work. A “non-exclusive license” is one that gives permission to use a work while that same work may also be used by the party who gave the permission and by others to whom permission is also given.

3.0 Copyright

3.1 Rights

Copyright rights of the unit members

The copyrights to works created by a unit member as independent efforts (as defined in Section 2.4) shall be owned by him/her, even if those works are created in connection with courses taught or other duties performed as unit members while they are employed by the District and in connection with their employment.

Copyright rights of the District

The District will own the copyright to any work created as a “work for hire” in accordance with the contractual definition. Any subsequent work created by the unit member as an independent effort that is related to the work for hire shall be the property of the unit member.

The unit member who created the “work for hire” shall have an option to acquire the work’s copyright by paying the District an amount of money agreed upon by the District and the unit member.

3.2 Non-exclusive license

Unit members in the performance of their normally assigned duties shall have a non-exclusive license to use works they created whose copyrights are owned by the District in the following ways: (1) to reproduce such works; (2) to distribute such works (for example, to students in classes); (3) to perform such works (for example,

in classroom teaching, by web casting, or by broadcasting); (4) to display such works (for example, over the web); and (5) to create derivative works (for example, companion materials or updated versions). Unit members may do these things themselves, but may not authorize them to be done by others unless they first obtain the written consent of the District.

3.3 Exclusive License

Unit members shall have exclusive license to works owned by them but may through their written permission, provide a non-exclusive license to the District or to other unit members to use the work in a manner prescribed in the written permission by the unit members who own the works.

If the work is considered a “Work for Hire,” the copyright shall be owned by the District and may be assigned or licensed by the District without the consent or permission of the unit member.

3.4 The District and the unit member may enter into any other arrangement regarding the exercise of copyright in such works as may be agreeable to both parties, including licensing, releasing, or assigning back to the employee the fully copyrights in said works. Such agreements shall be in writing. (See Appendix for sample “Agreement to Purchase District Copyright.”)

4.0 Rights of Departing Unit Members

If a departing instructor owns the copyright of a program that the District desires to continue, the District shall pay the departing instructor the market-value price for obtaining the non-exclusive right of usage for the program or an otherwise mutually agreed upon price.

5.0 Recording of Course Sessions

By mutual agreement of the instructor and College President or designee, district education course sessions may be video taped.

6.0 Responsibilities

6.1 Registration of copyright

It shall be the responsibility of the party who owns the copyright to register that copyright with the United States Copyright Office.

6.2 Acquiring and paying for necessary rights from third parties

If the creation or use of a work requires rights to be acquired from third parties, such

rights shall be acquired and paid for by the party who owns the copyright to that work. Unit members acknowledge that, in some cases, when the cost of acquiring those rights from third parties is paid by the District, this payment may constitute a "District-Supported Work," thereby fixing the ownership of the copyright with the District.

6.3 Dispute resolution

Disputes between unit members and the District concerning this Article shall be resolved pursuant to the grievance procedures in Article XVI of this Agreement.

AGREEMENT

This Agreement made and entered into this 10th day of October, 2006, between the State Center Community College District and the State Center Federation of Teachers Local 1533, CFT/AFT, AFL-CIO, its successors and/or affiliates upon ratification as set forth in Article I of the Agreement and shall remain in full force and effect until the close of the workday of June 30, 2009.
