Ms. Barreras thanked Mr. Mok for the award plaques and stated that safety is a number one concern for SCCCD.
Chancellor’s Report

Dr. Crow reported the following:

- Recently, the Board of Trustees held their annual Board Retreat where we were able to spend quality time on many critical issues facing the District including the annual budget, enrollment growth and state accountability reporting. It was time well spent examining and discussing complex issues. It was also a time of reflection of the past year, as well as visioning for the future. As always, the Board Retreats are open meetings and all materials, including PowerPoint presentations, are available from the Chancellor’s Office.

- On March 14, the District hosted its first Career and Technical Education Bus Tour. We had approximately 50 business, industry and education leaders join us for a whirlwind tour of a sampling of career and technical education programs at the Manchester Center, Fresno City College’s Applied Technology Division, the Career and Technology Center, and Reedley College. The response to the tour has been extremely positive. You may have seen the “Cart on Steroids” Letter to the Editor from Tom Krazan; he was one of several CEO’s that joined the tour. I want to publicly thank the faculty and staff at the sites that made this tour so incredibly successful. The enthusiasm and professionalism exhibited by all was most impressive, and we will no doubt be making the tour part of our ongoing career and technical education marketing and awareness program. Trustees Thonesen and Feaver represented the Board on the tour.

- March 21 was the official kick-off of the OAB “A Legacy Renewed” campaign. The morning started in grand style with the announcement of a generous $300,000 gift from Gary and Carolyn Soto. Other events included a jazz concert in the OAB courtyard on Friday evening and a Legacy Home tour on Saturday. Momentum for the campaign is building, and we are very fortunate to be receiving very positive press.

- We have started gearing up for the next cycle of our strategic planning process. Committees are being formed to address five major areas that we have identified that will drive the plan. As in the past, we will be holding a districtwide community charrette to gather input from our various stakeholder groups, both internal and external. You will be hearing more about the strategic plan in the next few months.

- April 3 marks the celebration of the 7th Annual Classified Professionals Mega Conference. I had the opportunity to address this group of 300 classified professionals. Trustee Dottie Smith announced the first recipient of the SCCCD Classified Professional of the Year Award.

SUBJECT: Consideration to Adopt Resolution Authorizing Sale and Issuance of General Obligation Bonds, Election of 2002, Series 2007A

ITEM NO. 07-33

EXHIBIT: Resolution

Background:

The District is scheduled to issue the third in a series of bonds related to the passage of Measure E in November of 2002. This third series will be titled "Series 2007A Bonds." After reviewing the Capital Facilities Program Schedule and the cash-flow needs to accommodate the Program, the District must issue bonds (the Series "2007A Bonds"). To proceed with the issuance of the bonds the Board of Trustees of the District (the "Board") must determine if it is necessary and desirable to issue a series of such bonds in the aggregate principal amount not to exceed $70,000,000. As stated in the Resolution, all acts, conditions, and things required by law to be done or performed have been done and performed in strict conformity with the laws authorizing the issuance of the general obligation bonds of the District, and the indebtedness of the District, including this proposed issuance of the Series 2007A Bonds, is within all limits prescribed by law.

Recommendation:

It is recommended that the Board of Trustees:

a) adopt Resolution No. 2007-12 authorizing the sale and issuance of State Center Community College District general obligation bonds, Election of 2002, Series 2007A; and

b) authorize the Chancellor or Vice Chancellor, Finance and Administration, to sign all necessary documents relating to the issuance of the Series 2007A Bonds.
RESOLUTION NO. 2007-12

RESOLUTION OF THE BOARD OF TRUSTEES OF THE STATE CENTER COMMUNITY COLLEGE DISTRICT (FRESNO COUNTY, MADERA COUNTY, TULARE COUNTY AND KINGS COUNTY, CALIFORNIA) AUTHORIZING THE SALE AND ISSUANCE OF STATE CENTER COMMUNITY COLLEGE DISTRICT, (FRESNO COUNTY, MADERA COUNTY, TULARE COUNTY AND KINGS COUNTY, CALIFORNIA) GENERAL OBLIGATION BONDS, ELECTION OF 2002, SERIES 2007A.

WHEREAS, a duly called election (the “Election”) was held in the State Center Community College District (the “District”), (Fresno County (the “County”), Madera County, Tulare County and Kings County, California (collectively, with the County, the “Counties”), on November 5, 2002, at which the following proposition (the “Bond Measure”) was submitted to the qualified electors of the District:

“To prepare students at Fresno City/Reedley College (Clovis, Madera, Oakhurst Centers) for transfer to four-year colleges and careers, including public safety, firefighting, healthcare technology and business, by upgrading equipment, lighting, wiring, fire safety; replacing portables; repairing plumbing, heating/ventilation; repairing/constructing/equipping classrooms, libraries, computer labs, buildings, parking, acquiring land, shall State Center Community College District issue $161,000,000 of bonds at legal rates, with a Citizens Oversight Committee, annual financial audits and no money for administrator salaries?”

WHEREAS, at such election, the Bond Measure received the affirmative vote of fifty-five percent or more of the voters of the District voting on the proposition as certified by the Registrar of Voters of each of the Counties in the official canvassing of votes; and

WHEREAS, on June 17, 2003 the District issued its first series of bonds under the Bond Measure in the aggregate principal amount of $20,000,000;

WHEREAS, on July 15, 2004 the District issued its second series of bonds under the Bond Measure in the aggregate principal amount of $25,000,000;

WHEREAS, at this time this Board of Trustees of the District (the “Board”) has determined that it is necessary and desirable to issue a third series of such Bonds in the aggregate principal amount not to exceed $70,000,000 (the “Series 2007A Bonds”);

WHEREAS, the Board of Supervisors of the County of Fresno has provided by resolution pursuant to Education Code Section 15140(b) that the District may sell the Series 2007A Bonds on its own behalf;

WHEREAS, the District has not received a qualified or negative certification in its most recent interim report;

WHEREAS, all acts, conditions and things required by law to be done or performed have been done and performed in strict conformity with the laws authorizing the issuance of general
obligation bonds of the District, and the indebtedness of the District, including this proposed issue of Series 2007A Bonds, is within all limits prescribed by law;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE STATE CENTER COMMUNITY COLLEGE DISTRICT (FRESNO COUNTY, MADERA COUNTY, TULARE COUNTY AND KING'S COUNTY, CALIFORNIA), AS FOLLOWS:

SECTION 1. Purpose of Series 2007A Bonds. To raise money for the purposes authorized by voters of the District at the Election and to pay all necessary legal, financial, engineering and contingent costs in connection therewith, the Board hereby authorizes the issuance of the Series 2007A Bonds, orders such Series 2007A Bonds sold at a negotiated sale such that the Series 2007A Bonds shall be dated as of a date to be determined by the Board, shall bear interest at a true interest cost not to exceed that authorized at the Election, shall be payable upon such terms and provisions as shall be set forth in the Series 2007A Bonds, and shall be in an aggregate principal amount not to exceed $70,000,000 for some or all of the purposes authorized by the Bond Measure.

SECTION 2. Terms and Conditions of Sale. The Series 2007A Bonds shall be sold at a negotiated sale upon the direction of the Chancellor of the District (the “Chancellor”), the Vice Chancellor, Finance and Administration of the District (the “Vice Chancellor”), or such other person designated by the Chancellor. The Series 2007A Bonds shall be sold pursuant to the terms and conditions set forth in the Purchase Contract, as described below.

SECTION 3. Approval of Purchase Contract. The form of Purchase Contract (the “Purchase Contract”) by and between the District and Citigroup Global Markets Inc., as representative of itself and RBC Dain Rauscher Inc., doing business under the name RBC Capital Markets (together, the “Underwriter”), for the purchase and sale of the Series 2007A Bonds, substantially in the form on file with the Secretary to the Board, is hereby approved and the Vice Chancellor, or any designee thereof, is hereby authorized to execute and deliver the Purchase Contract on behalf of the District, with such changes therein, deletions therefrom and modifications thereto as the Vice Chancellor, or designated deputy thereof, may approve, such approval to be conclusively evidenced by his or her execution and delivery thereof; provided, however, that the maximum true interest cost on the Bonds shall not exceed 8.0% per annum and the underwriting discount (excluding original issue discount, Underwriter expenses and any costs of issuance paid by the Underwriter) shall not exceed .8% of the aggregate principal amount of Bonds, plus out-of-pocket expenses. The Vice Chancellor is further authorized to determine the principal amount of the Bonds to be specified in the Purchase Contract for sale by the Board up to $70 million and to enter into and execute the Purchase Contract with the Underwriter, if the conditions set forth in this Resolution are satisfied. The Board hereby authorizes the sale of the Bonds at a negotiated sale, which is determined to provide more flexibility in the time of the sale, an ability to implement the sale in a shorter time period, an increased ability to structure the Bonds to fit the needs of particular purchasers, and a greater opportunity for the Underwriter to pre-market the Bonds to potential purchasers prior to the sale, all of which will contribute to the District’s goal of achieving the lowest overall costs of funds. The Board estimates that the costs associated with the issuance of the Bonds, including compensation to the Underwriter and any such costs which the Underwriter agrees to pay pursuant to the Purchase Contract, will equal approximately 2.0% of the principal amount of the Bonds.

(b) Redemption.

(i) Optional Redemption. Unless otherwise provided in the Purchase Contract, the Current Interest Bonds maturing on or before August 1, 2017, are not subject to redemption prior to their fixed maturity dates. Unless otherwise provided in the Purchase Contract, the Current Interest Bonds maturing on or after August 1, 2018, may be redeemed before maturity at the option of the District, from any source of funds of the District on any date thereafter as a whole, or in part commencing on August 1, 2017. For the purposes of such selection Current Interest Bonds will be deemed to consist of $5,000 portions, and any such portion may be separately redeemed. Unless otherwise provided in the Purchase Contract, the Current Interest Bonds called prior to maturity will be redeemed at the a redemption price equal to 100% of the principal amount thereof, together with accrued interest to the date of redemption set forth in the Purchase Contract.

Unless otherwise provided in the Purchase Contract, the Capital Appreciation Bonds are not subject to optional redemption.

(ii) Mandatory Redemption. Unless otherwise provided in the Purchase Contract, the Term Bonds are subject to mandatory redemption from moneys in the Debt Service Fund established in Section 11 hereof prior to their stated maturity date, at the Principal Amount or Accreted Value thereof without premium on each August 1, in Principal Amounts as set forth in the Purchase Contract and in the Official Statement described below.

(iii) Selection of Bonds for Redemption. Whenever provision is made in this Resolution for the redemption of Series 2007A Bonds and less than all Outstanding Series 2007A
Bonds are to be redeemed, the Bond Registrar identified below, upon written instruction from the District, shall select Series 2007A Bonds for redemption as so directed and if not directed, in inverse order of maturity. Within a maturity, the Bond Registrar, in a manner determined by the District shall select Series 2007A Bonds for redemption by lot. Redemption by lot shall be in such manner as the Bond Registrar shall determine; provided, however, that the portion of any Current Interest Bond to be redeemed in part shall be in the Principal Amount of $5,000 or any integral multiple thereof and the portion of any Capital Appreciation Bond to be redeemed in part shall be in integral multiples of the Accreted Value per $5,000 Maturity Value thereof.

(iv) Notice of Redemption. When redemption is authorized or required pursuant to Section 5(h) hereof, the Bond Registrar, upon written instruction from the District, shall give notice (a "Redemption Notice") of the redemption of the Series 2007A Bonds. Such Redemption Notice shall specify: (a) the Series 2007A Bonds or designated portions thereof (in the case of redemption of the Series 2007A Bonds in part but not in whole) which are to be redeemed, (b) the date of redemption, (c) the place or places where the redemption will be made, including the name and address of the Bond Registrar, (d) the redemption price, (e) the CUSIP numbers (if any) assigned to the Series 2007A Bonds to be redeemed, (f) the Bond numbers of the Series 2007A Bonds to be redeemed in whole or in part and, in the case of any Series 2007A Bond to be redeemed in part only, the Principal Amount of such Series 2007A Bond to be redeemed, and (g) the original issue date, interest rate or Accretion Rate and stated maturity date of each Series 2007A Bond to be redeemed in whole or in part. Such Redemption Notice shall further state that on the specified date there shall become due and payable upon each Series 2007A Bond or portion thereof being redeemed at the redemption price thereof, together with the interest accrued or accreted to the redemption date, and that from and after such date, interest with respect thereto shall cease to accrue or accrete.

The Bond Registrar shall take the following actions with respect to such Redemption Notice:

(a) At least 30 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given to the respective Owners of Bonds designated for redemption by registered or certified mail, postage prepaid, at their addresses appearing on the Bond Register.

(b) At least 30 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, (ii) telephonically confirmed facsimile transmission, or (iii) overnight delivery service, to each of the Securities Depositories.

(c) At least 30 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, or (ii) overnight delivery service, to one of the Information Services.

Neither failure to receive or failure to publish any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected Series 2007A Bonds. Each check issued or other transfer of funds made by the Bond Registrar for the purpose of redeeming Series 2007A Bonds shall bear or include the CUSIP number identifying, by issue and maturity, the Series 2007A Bonds being redeemed with the proceeds of such check or other transfer.
(v) Partial Redemption of Series 2007A Bonds. Upon the surrender of any Series 2007A Bond redeemed in part only, the Bond Registrar shall execute and deliver to the Owner thereof a new Series 2007A Bond or Bonds of like tenor and maturity and of authorized denominations equal in Transfer Amounts to the unredeemed portion of the Series 2007A Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the District shall be released and discharged thereupon from all liability to the extent of such payment.

(vi) Effect of Notice of Redemption. Notice having been given as aforesaid, and the moneys for the redemption (including the interest to the applicable date of redemption) having been set aside in the District’s Debt Service Fund, the Series 2007A Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Series 2007A Bonds to be redeemed as provided in Section 5(b)(i) hereof, together with interest accrued to such redemption date, shall be held by the Bond Registrar so as to be available therefor on such redemption date, and if notice of redemption thereof shall have been given as aforesaid, then from and after such redemption date, interest with respect to the Series 2007A Bonds to be redeemed shall cease to accrue or accrete and become payable. All money held by or on behalf of the Bond Registrar for the redemption of Series 2007A Bonds shall be held in trust for the account of the Owners of the Series 2007A Bonds so to be redeemed.

All Series 2007A Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of this Section 5 shall be cancelled upon surrender thereof and be delivered to or upon the order of the District. All or any portion of a Bond purchased by the District shall be cancelled by the Bond Registrar.

(vii) Series 2007A Bonds No Longer Outstanding. When any Series 2007A Bonds (or portions thereof), which have been duly called for redemption prior to maturity under the provisions of this Resolution, or with respect to which irrevocable instructions to call for redemption prior to maturity at the earliest redemption date have been given to the Bond Registrar, in form satisfactory to it, and sufficient moneys shall be held by the Bond Registrar irrevocably in trust for the payment of the redemption price of such Series 2007A Bonds or portions thereof, and, in the case of Current Interest Bonds, accrued interest with respect thereto to the date fixed for redemption, all as provided in this Resolution, then such Series 2007A Bonds shall no longer be deemed Outstanding and shall be surrendered to the Bond Registrar for cancellation.

(c) Book-Entry System.

(i) Definitions. As used in this Section, the terms set forth below shall have the meanings ascribed to them:

“Nominee” means the nominee of the Depository, which may be the Depository, as determined from time to time pursuant to this Section.

“Participants” means those broker-dealers, banks and other financial institutions from time to time for which the Depository holds book-entry certificates as securities depository.
(ii) Election of Book-Entry System. The Series 2007A Bonds shall initially be delivered in the form of a separate single fully-registered bond (which may be typewritten) for each maturity date of such Series 2007A Bonds in an authorized denomination (except for any odd denomination Bond). The ownership of each such Series 2007A Bond shall be registered in the Bond Register (as defined below) in the name of the Nominee, as nominee of the Depository and ownership of the Series 2007A Bonds, or any portion thereof may not thereafter be transferred except as provided in Section 5(c)(ii)(4).

With respect to book-entry Series 2007A Bonds, the District and the Bond Registrar shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds an interest in such book-entry Series 2007A Bonds. Without limiting the immediately preceding sentence, the District and the Bond Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee, or any Participant with respect to any ownership interest in book-entry Series 2007A Bonds, (ii) the delivery to any Participant or any other person, other than an owner as shown in the Bond Register, of any notice with respect to book-entry Series 2007A Bonds, including any notice of redemption, (iii) the selection by the Depository and its Participants of the beneficial interests in book-entry Series 2007A Bonds to be prepaid in the event the District redeems the Series 2007A Bonds in part, or (iv) the payment by the Depository or any Participant or any other person, of any amount with respect to Accreted Value, Principal, premium, if any, or interest on the book-entry Series 2007A Bonds. The District and the Bond Registrar may treat and consider the person in whose name each book-entry Series 2007A Bond is registered in the Bond Register as the absolute owner of such book-entry Series 2007A Bond for the purpose of payment of Accreted Value or Principal of and premium and interest on and to such Series 2007A Bond, for the purpose of giving notices of redemption and other matters with respect to such Series 2007A Bond, for the purpose of registering transfers with respect to such Series 2007A Bond, and for all other purposes whatsoever. The Bond Registrar shall pay all Accreted Value or Principal of and premium, if any, and interest on the Series 2007A Bonds only to or upon the order of the respective owner, as shown in the Bond Register, or his respective attorney duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payment of Accreted Value or Principal of, and premium, if any, and interest on the Series 2007A Bonds to the extent of the sum or sums so paid. No person other than an owner, as shown in the Bond Register, shall receive a certificate evidencing the obligation to make payments of Accreted Value or Principal of, and premium, if any, and interest on the Series 2007A Bonds. Upon delivery by the Depository to the owner and the Bond Registrar, of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to the Record Date, the word Nominee in this Resolution shall refer to such nominee of the Depository.

1. Delivery of Letter of Representations. In order to qualify the book-entry Series 2007A Bonds for the Depository's book-entry system, the District and the Bond Registrar shall execute and deliver to the Depository a Letter of Representations. The execution and delivery of a Letter of Representations shall not in any way impose upon the District or the Bond Registrar any obligation whatsoever with respect to persons having interests in such book-entry Series 2007A Bonds other than the owners, as shown on the Bond Register. By executing a Letter of Representations, the Bond Registrar shall agree to take all action necessary at all times so that the District will be in compliance with all representations of the District in such Letter of Representations. In addition to the execution
and delivery of a Letter of Representations, the District and the Bond Registrar shall take such other actions, not inconsistent with this Resolution, as are reasonably necessary to qualify book-entry Series 2007A Bonds for the Depository’s book-entry program.

2. **Selection of Depository.** In the event (i) the Depository determines not to continue to act as securities depository for book-entry Series 2007A Bonds, or (ii) the District determines that continuation of the book-entry system is not in the best interest of the beneficial owners of the Series 2007A Bonds or the District, then the District will discontinue the book-entry system with the Depository. If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or direct the preparation of a new single, separate, fully registered bond for each maturity date of such book-entry Series 2007A Bond, registered in the name of such successor or substitute qualified securities depository or its Nominee as provided in subsection (4) hereof. If the District fails to identify another qualified securities depository to replace the Depository, then the Series 2007A Bonds shall no longer be restricted to being registered in such Bond Register in the name of the Nominee, but shall be registered in whatever name or names the owners transferring or exchanging such Series 2007A Bonds shall designate, in accordance with the provisions of this Section 5(c).

3. **Payments to Depository.** Notwithstanding any other provision of this Resolution to the contrary, so long as all outstanding Series 2007A Bonds are held in book-entry and registered in the name of the Nominee, all payments by the District or the Bond Register with respect to Accreted Value or Principal of and premium, if any, or interest on the Series 2007A Bonds and all notices with respect to such Series 2007A Bonds shall be made and given, respectively to the Nominees, as provided in the Letter of Representations or as otherwise instructed by the Depository and agreed to by the Bond Registrar notwithstanding any inconsistent provisions herein.

4. **Transfer of Bonds to Substitute Depository.**

(A) The Series 2007A Bonds shall be initially issued as described in the Official Statement described herein. Registered ownership of such Series 2007A Bonds, or any portions thereof, may not thereafter be transferred except:

(1) to any successor of DTC or its nominee, or of any substitute depository designated pursuant to Section 5(c)(ii)(4)(A)(2) ("Substitute Depository"); provided that any successor of DTC or Substitute Depository shall be qualified under any applicable laws to provide the service proposed to be provided by it;

(2) to any Substitute Depository, upon (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the District that DTC (or its successor) is no longer able to carry out its functions as depository; provided that any such Substitute Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or
(3) to any person as provided below, upon (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the District that DTC or its successor (or Substitute Depository or its successor) is no longer able to carry out its functions as depository.

(B) In the case of any transfer pursuant to Section 5(c)(ii)(4)(A)(1) or (2), upon receipt of all outstanding Series 2007A Bonds by the Bond Registrar, together with a written request of the District to the Bond Registrar designating the Substitute Depository, a single new Series 2007A Bond, which the District shall prepare or cause to be prepared, shall be executed and delivered for each maturity of Series 2007A Bonds then outstanding, registered in the name of such successor or such Substitute Depository or their Nominees, as the case may be, all as specified in such written request of the District. In the case of any transfer pursuant to Section 5(c)(ii)(4)(A)(3), upon receipt of all outstanding Series 2007A Bonds by the Bond Registrar, together with a written request of the District to the Bond Registrar, new Series 2007A Bonds, which the District shall prepare or cause to be prepared, shall be executed and delivered in such denominations and registered in the names of such persons as are requested in such written request of the District, provided that the Bond Registrar shall not be required to deliver such new Bonds within a period of less than sixty (60) days from the date of receipt of such written request from the District.

(C) In the case of a partial redemption or an advance refunding of any Series 2007A Bonds evidencing a portion of the Maturity Value or Principal maturing in a particular year, DTC or its successor (or any Substitute Depository or its successor) shall make an appropriate notation on such Series 2007A Bonds indicating the date and amounts of such reduction in Maturity Value or Principal, in form acceptable to the Bond Registrar, all in accordance with the Letter of Representations. The Bond Registrar shall not be liable for such Depository’s failure to make such notations or errors in making such notations.

(D) The District and the Bond Registrar shall be entitled to treat the person in whose name any Series 2007A Bond is registered as the owner thereof for all purposes of this Resolution and any applicable laws, notwithstanding any notice to the contrary received by the Bond Registrar or the District; and the District and the Bond Registrar shall not have responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Series 2007A Bonds. Neither the District nor the Bond Registrar shall have any responsibility or obligation, legal or otherwise, to any such beneficial owners or to any other party, including DTC or its successor (or Substitute Depository or its successor), except to the Owner of any Series 2007A Bonds, and the Bond Registrar may rely conclusively on its records as to the identity of the owners of the Series 2007A Bonds.

SECTION 6. **Execution of Series 2007A Bonds.** The Series 2007A Bonds shall be signed by the Chancellor or the Vice Chancellor, by their manual or facsimile signatures and countersigned by the manual or facsimile signature of the Secretary of the Board, all in their official capacities. No Series 2007A Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under this Resolution unless and until the certificate of authentication printed on the Series 2007A Bond is signed by the Bond Registrar as authenticating agent. Authentication
by the Bond Registrar shall be conclusive evidence that the Series 2007A Bond so authenticated has
been duly issued, signed and delivered under this Resolution and is entitled to the security and
benefit of this Resolution.

SECTION 7. Bond Registrar; Transfer and Exchange. This Board does hereby
appoint BNY Western Trust Company to act as the authenticating agent, bond registrar, transfer
agent and paying agent (collectively, the “Bond Registrar”) for the Series 2007A Bonds.

So long as any of the Series 2007A Bonds remain outstanding, the District will cause the
Bond Registrar to maintain and keep at its principal office all books and records necessary for the
registration, exchange and transfer of the Series 2007A Bonds as provided in this Section. Subject
to the provisions of Section 8 below, the person in whose name a Series 2007A Bond is registered on
the Bond Register shall be regarded as the absolute owner of that Series 2007A Bond for all purposes
of this Resolution. Payment of or on account of the Principal or Accrued Value of and premium, if
any, and interest on any Series 2007A Bond shall be made only to or upon the order of that person;
neither the District nor the Bond Registrar shall be affected by any notice to the contrary, but the
registration may be changed as provided in this Section. All such payments shall be valid and
effectual to satisfy and discharge the District’s liability upon the Series 2007A Bonds, including
interest, to the extent of the amount or amounts so paid.

Any Series 2007A Bond may be exchanged for Series 2007A Bonds of like tenor, maturity
and Transfer Amount upon presentation and surrender at the principal office of the Bond Registrar,
together with a request for exchange signed by the Owner or by a person legally empowered to do so
in a form satisfactory to the Bond Registrar. A Series 2007A Bond may be transferred on the Bond
Register only upon presentation and surrender of the Series 2007A Bond at the principal office of the
Bond Registrar together with an assignment executed by the Owner or by a person legally
empowered to do so in a form satisfactory to the Bond Registrar. Upon exchange or transfer, the
Bond Registrar shall complete, authenticate and deliver a new Series 2007A Bond or Series 2007A
Bonds of like tenor and of any authorized denomination or denominations requested by the Owner
equal to the Transfer Amount of the Series 2007A Bond surrendered and bearing or accruing interest
at the same rate and maturing on the same date. Capital Appreciation Bonds and Current Interest
Bonds may not be exchanged for one another.

If any Series 2007A Bond shall become mutilated, the District, at the expense of the Owner
of said Series 2007A Bond, shall execute, and the Bond Registrar shall thereupon authenticate and
deliver, a new Series 2007A Bond of like series, tenor and Transfer Amount in exchange and
substitution for the Series 2007A Bond so mutilated, but only upon surrender to the Bond Registrar
of the Series 2007A Bond so mutilated. If any Series 2007A Bond issued hereunder shall be lost,
destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Bond
Registrar and, if such evidence be satisfactory to the Bond Registrar and indemnity for the Bond
Registrar and the District satisfactory to the Bond Registrar shall be given by the owner, the District,
at the expense of the Series 2007A Bond owner, shall execute, and the Bond Registrar shall
thereupon authenticate and deliver, a new Series 2007A Bond of like Series 2007A and tenor in lieu of
and in substitution for the Series 2007A Bond so lost, destroyed or stolen (or if any such Series
2007A Bond shall have matured or shall have been called for redemption, instead of issuing a
substitute Series 2007A Bond the Bond Registrar may pay the same without surrender thereof upon
receipt of indemnity satisfactory to the Bond Registrar and the District). The Bond Registrar may
require payment of a reasonable fee for each new Series 2007A Bond issued under this paragraph and of the expenses which may be incurred by the District and the Bond Registrar.

If manual signatures on behalf of the District are required in connection with an exchange or transfer, the Bond Registrar shall undertake the exchange or transfer of Series 2007A Bonds only after the new Series 2007A Bonds are signed by the authorized officers of the District. In all cases of exchanged or transferred Series 2007A Bonds, the District shall sign and the Bond Registrar shall authenticate and deliver Series 2007A Bonds in accordance with the provisions of this Resolution. All fees and costs of transfer shall be paid by the requesting party. Those charges may be required to be paid before the procedure is begun for the exchange or transfer. All Series 2007A Bonds issued upon any exchange or transfer shall be valid obligations of the District, evidencing the same debt, and entitled to the same security and benefit under this Resolution as the Series 2007A Bonds surrendered upon that exchange or transfer.

Any Series 2007A Bond surrendered to the Bond Registrar for payment, retirement, exchange, replacement or transfer shall be cancelled by the Bond Registrar. The District may at any time deliver to the Bond Registrar for cancellation any previously authenticated and delivered Series 2007A Bonds that the District may have acquired in any manner whatsoever, and those Series 2007A Bonds shall be promptly cancelled by the Bond Registrar. Written reports of the surrender and cancellation of Series 2007A Bonds shall be made to the District by the Bond Registrar on or before February 1 and August 1 of each year. The cancelled Series 2007A Bonds shall be retained for six years, then returned to the District or destroyed by the Bond Registrar as directed by the District.

Neither the District nor the Bond Registrar will be required (a) to issue or transfer any Series 2007A Bonds during a period beginning with the opening of business on the 15th business day next preceding either any Bond Payment Date or any date of selection of Series 2007A Bonds to be redeemed and ending with the close of business on the Bond Payment Date or any day on which the applicable notice of redemption is given or (b) to transfer any Series 2007A Bonds which have been selected or called for redemption in whole or in part.

SECTION 8. Payment. Payment of interest on any Current Interest Bond on any Bond Payment Date shall be made to the person appearing on the registration books of the Bond Registrar as the Owner thereof as of the Record Date immediately preceding such Bond Payment Date, such interest to be paid by check mailed to such Owner on the Bond Payment Date at his address as it appears on such registration books or at such other address as he may have filed with the Bond Registrar for that purpose on or before the Record Date. The Owner in an aggregate Principal Amount or Maturity Value of $1,000,000 or more may request in writing to the Bond Registrar that such Owner be paid interest by wire transfer to the bank and account number on file with the Bond Registrar as of the Record Date. The principal, and redemption price, if any, payable on the Current Interest Bonds and the Accreted Value and redemption price, if any, on the Capital Appreciation Bonds shall be payable upon maturity or redemption upon surrender at the principal office of the Bond Registrar. The interest, Accreted Value, Principal and premiums, if any, on the Series 2007A Bonds shall be payable in lawful money of the United States of America. The Bond Registrar is hereby authorized to pay the Series 2007A Bonds when duly presented for payment at maturity, and to cancel all Series 2007A Bonds upon payment thereof. The Series 2007A Bonds are general obligations of the District.
SECTION 9. **Form of Series 2007A Bonds.** The Series 2007A Bonds shall be in substantially the following forms, allowing those officials executing the Series 2007A Bonds to make the insertions and deletions necessary to conform the Series 2007A Bonds to this Resolution, the Purchase Contract and the Official Statement.

The proceeds from the sale of the Series 2007A Bonds, to the extent of the Denominational Amount and the Principal Amount thereof, shall be paid to the County to the credit of the fund hereby created and established and to be known as the “State Center Community College District Election of 2002 General Obligation Bonds, Series 2007A Building Fund” (the “Building Fund”) of the District, shall be kept separate and distinct from all other District and County funds, and those proceeds shall be used solely for the authorized purpose of the election. The Building Fund may be held by the Bond Registrar acting as fiscal agent for the District. The accrued interest and any premium received by the County from the sale of the Series 2007A Bonds shall be kept separate and apart in the fund hereby created and established and to be designated as the “State Center Community College District Election of 2002 General Obligation Bonds, Series 2007A Debt Service Fund” (the “Debt Service Fund”) for the Series 2007A Bonds and used only for payment of Accreted Value or Principal of and interest on the Series 2007A Bonds. Interest earnings on moneys held in the Building Fund shall be retained in the Building Fund. Interest earnings on moneys held in the Debt Service Fund shall be retained in the Debt Service Fund. Any excess proceeds of the Series 2007A Bonds not needed for the authorized purposes set forth herein for which the Series 2007A Bonds are being issued shall be transferred to the Debt Service Fund and applied to the payment of Accreted Value or Principal of and interest on the Series 2007A Bonds. If, after payment in full of the Series 2007A Bonds, there remain excess proceeds, any such excess amounts shall be transferred to the General Fund of the District.

Subject to federal tax restrictions and the County’s investment policies, moneys in the funds created hereunder shall be invested at the direction of the District in any lawful investment permitted by Sections 16429.1 and 53601 of the Government Code of the State of California (the “Government Code”) or in shares in a California common law trust established pursuant to Title 1, Division 7, Chapter 5 of the Government Code which invests exclusively in investments permitted by Section 53635 of the Government Code, in the Local Agency Investment Fund administered by the Treasurer of the State of California (“LAIF”), tax-exempt municipal bonds, or in a guaranteed investment contract with a financial institution or insurance company which has at the date of execution thereof one or more outstanding issues of unsecured, uninsured and unguaranteed debt obligations or a claims paying ability rated not lower than the second highest rating category (without regard to subcategories) by Standard & Poor’s and Moody’s Investors Service.

Except as required below to satisfy the requirements of Section 148(f) of the Internal Revenue Code of 1986, as amended (the “Code”), interest earned on the investment of moneys held in the Debt Service Fund shall be retained in the Debt Service Fund and used by the County to pay the Accreted Value or Principal of and interest on the Series 2007A Bonds when due.

SECTION 12. Rebate Fund.

(a) The District shall create and establish a special fund designated the “State Center Community College District Election of 2002 General Obligation Bonds, Series 2007A Rebate
Fund” (the “Rebate Fund”). All amounts at any time on deposit in the Rebate Fund shall be held in trust, to the extent required to satisfy the requirement to make rebate payments to the United States (the “Rebate Requirement”) pursuant to Section 148 of the Code and the Treasury Regulations promulgated thereunder (the “Treasury Regulations”). Such amounts shall be free and clear of any lien hereunder and shall be governed by this Section and by the Tax Certificate to be executed by the District.

(b) Within forty-five (45) days of the end of each fifth Bond Year (as such term is defined in the Tax Certificate), (1) the District shall calculate or cause to be calculated with respect to the Series 2007A Bonds the amount that would be considered the “rebate amount” within the meaning of Section 1.148-3 of the Treasury Regulations, using as the “computation date” for this purpose the end of such Bond Year, and (2) the District shall deposit to the Rebate Fund from amounts on deposit in the other funds established hereunder or from other District funds, if and to the extent required, amounts sufficient to cause the balance in the Rebate Fund to be equal to the “rebate amount” so calculated. The District shall not be required to deposit any amount to the Rebate Fund in accordance with the preceding sentence, if the amount on deposit in the Rebate Fund prior to the deposit required to be made under this subsection (b) equals or exceeds the “rebate amount” calculated in accordance with the preceding sentence. Such excess may be withdrawn from the Rebate Fund to the extent permitted under subsection (g) of this Section. The District shall not be required to calculate the “rebate amount” and shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b), with respect to all or a portion of the proceeds of the Series 2007A Bonds (including amounts treated as proceeds of the Series 2007A Bonds) (1) to the extent such proceeds satisfy the expenditure requirements of Section 148(f)(4)(B) or Section 148(f)(4)(C) of the Code or Section 1.148-7(d) of the Treasury Regulations, whichever is applicable, and otherwise qualify for the exception to the Rebate Requirement pursuant to whichever of said sections is applicable, (2) to the extent such proceeds are subject to an election by the District under Section 148(f)(4)(C)(vii) of the Code to pay a one and one-half percent (1 1/2%) penalty in lieu of arbitrage rebate in the event any of the percentage expenditure requirements of Section 148(f)(4)(C) are not satisfied, or (3) to the extent such proceeds qualify for the exception to arbitrage rebate under Section 148(f)(4)(A)(ii) of the Code for amounts in a “bona fide debt service fund.” In such event, and with respect to such amounts, the District shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b).

(c) Any funds remaining in the Rebate Fund after redemption of all the Series 2007A Bonds and any amounts described in paragraph (2) of subsection (d) of this Section, or provision made therefor satisfactory to the District, including accrued interest, shall be remitted to the District.

(d) Subject to the exceptions contained in subsection (b) of this Section to the requirement to calculate the “rebate amount” and make deposits to the Rebate Fund, the District shall pay to the United States, from amounts on deposit in the Rebate Fund,

(1) not later than sixty (60) days after the end of (i) the fifth (5th) Bond Year, and (ii) each fifth Bond Year thereafter, an amount that, together with all previous rebate payments, is equal to at least 90% of the “rebate amount” calculated as of the end of such Bond Year in accordance with Section 1.148-3 of the Treasury Regulations; and
(2) not later than sixty (60) days after the payment of all Series 2007A Bonds, an amount equal to 100% of the "rebate amount" calculated as of the date of such payment (and any income attributable to the "rebate amount" determined to be due and payable) in accordance with Section 1.148-3 of the Treasury Regulations. In the event that, prior to the time any payment is required to be made from the Rebate Fund, the amount in the Rebate Fund is not sufficient to make such payment when such payment is due, the District shall calculate (or have calculated) the amount of such deficiency and deposit an amount equal to such deficiency into the Rebate Fund prior to the time such payment is due.

(e) Each payment required to be made pursuant to subsection (d) of this Section shall be made to the Internal Revenue Service Center, Ogden, Utah, on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T, such form to be prepared or caused to be prepared by the District.

(f) In the event that immediately following the calculation required by subsection (b) of this Section, but prior to any deposit made under said subsection, the amount on deposit in the Rebate Fund exceeds the "rebate amount" calculated in accordance with said subsection, the District may withdraw the excess from the Rebate Fund and credit such excess to the Debt Service Fund.

(g) The District shall retain records of all determinations made hereunder until six years after the complete retirement of the Series 2007A Bonds.

(h) Notwithstanding anything in this Resolution to the contrary, the Rebate Requirement shall survive the payment in full or defeasance of the Series 2007A Bonds.

SECTION 13. Security for the Series 2007A Bonds. There shall be levied on all the taxable property in the District, in addition to all other taxes, a continuing direct ad valorem tax annually during the period the Series 2007A Bonds are outstanding in an amount sufficient to pay the principal and Accreted Value of and interest on the Series 2007A Bonds when due, which moneys when collected will be placed in the Debt Service Fund of the District, which fund is irrevocably pledged for the payment of the principal and Accreted Value of and interest on the Series 2007A Bonds when and as the same fall due.

The moneys in the Debt Service Fund, to the extent necessary to pay the principal and Accreted Value of and interest on the Series 2007A Bonds as the same become due and payable, shall be transferred by the Auditor-Controller/Treasurer-Tax Collector of Fresno County (the "County Treasurer") to the Bond Registrar which, in turn, shall pay such moneys to DTC to pay the principal and Accreted Value of and interest on the Series 2007A Bonds. DTC will thereupon make payments of principal and Accreted Value and interest on the Series 2007A Bonds to the DTC Participants who will thereupon make payments of principal and Accreted Value and interest to the beneficial owners of the Series 2007A Bonds. Any moneys remaining in the Debt Service Fund after the Series 2007A Bonds and the interest thereon have been paid, or provision for such payment has been made, shall be transferred to the General Fund of the District, pursuant to the Education Code Section 15234.

SECTION 14. Arbitrage Covenant. The District has covenants that it will restrict the use of the proceeds of the Series 2007A Bonds in such manner and to such extent, if any, as may be
necessary, so that the Series 2007A Bonds will not constitute arbitrage bonds under Section 148 of the Code and the applicable regulations prescribed under that Section or any predecessor section. Calculations for determining arbitrage requirements are the sole responsibility of the District.

SECTION 15. Conditions Precedent. The Board determines that all acts and conditions necessary to be performed by the Board or to have been met precedent to and in the issuing of the Series 2007A Bonds in order to make them legal, valid and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Series 2007A Bonds have been performed and have been met, in regular and due form as required by law; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Series 2007A Bonds.

SECTION 16. Official Statement. The Preliminary Official Statement relating to the Bonds, substantially in the form on file with the Secretary to the Board is hereby approved and the Chancellor, the Vice Chancellor or a designated deputy thereof, each alone, is hereby authorized and directed, for and in the name and on behalf of the District, to deliver such Preliminary Official Statement to Underwriter to be used in connection with the offering and sale of the Series 2007A Bonds. The Chancellor and the Vice Chancellor, each alone, are hereby authorized and directed, for an in the name and on behalf of the District, to execute and deliver the Official Statement to the Underwriter. The District and the Underwriter are hereby authorized to distribute copies of the Preliminary Official Statement and the Official Statement to persons who may be interested in the purchase of the Series 2007A Bonds and is directed to deliver copies of any final Official Statement to the purchaser of the Series 2007A Bonds, in such time and manner as to conform with the requirements of Rule 15c2-12 of the Securities and Exchange Commission. The Chancellor and the Vice Chancellor, each alone, are also authorized to deem “final” pursuant to Rule 15c2-12 of the Securities Exchange Act of 1934 the Preliminary Official Statement prior to its distribution. Execution of the Official Statement shall conclusively evidence the District’s approval of the Official Statement.

SECTION 17. Insurance. In the event the District purchases bond insurance for the Series 2007A Bonds, and to the extent that the Bond Insurer makes payment of the principal, interest or Accreted Interest on the Series 2007A Bonds, it shall become the owner of such Series 2007A Bonds with the right to payment of principal, interest or Accreted Interest on the Series 2007A Bonds, and shall be fully subrogated to all of the Owners’ rights, including the Owners’ rights to payment thereof. To evidence such subrogation (i) in the case of subrogation as to claims that were past due interest components, the Bond Registrar shall note the Bond Insurer’s rights as subrogee on the registration books for the Series 2007A Bonds maintained by the Bond Registrar upon receipt of a copy of the cancelled check issued by the Bond Insurer for the payment of such interest to the Owners of the Series 2007A Bonds, and (ii) in the case of subrogation as to claims for past due Principal or Accreted Value, the Bond Registrar shall note the Bond Insurer as subrogee on the registration books for the Series 2007A Bonds maintained by the Bond Registrar upon surrender of the Series 2007A Bonds by the Owners thereof to the Bond Insurer or the insurance trustee for the Bond Insurer.

SECTION 18. Defeasance. All or any portion of the outstanding maturities of the Series 2007A Bonds may be defeased prior to maturity in the following ways:
(a) **Cash:** by irrevocably depositing with an independent escrow agent selected by the District an amount of cash which together with amounts then on deposit in the Debt Service Fund (as hereinafter defined) is sufficient to pay all Series 2007A Bonds outstanding and designated for defeasance, including all principal and interest and premium, if any; or

(b) **Government Obligations:** by irrevocably depositing with an independent escrow agent selected by the District noncallable Government Obligations together with cash, if required, in such amount as will, in the opinion of an independent certified public accountant, together with interest to accrue thereon and moneys then on deposit in the Debt Service Fund together with the interest to accrue thereon, be fully sufficient to pay and discharge all Series 2007A Bonds outstanding and designated for defeasance (including all Principal and interest represented thereby and prepayment premiums, if any) at or before their maturity date;

then, notwithstanding that any of such Series 2007A Bonds shall not have been surrendered for payment, all obligations of the District with respect to all such designated outstanding Series 2007A Bonds shall cease and terminate, except only the obligation of the Bond Registrar or an independent escrow agent selected by the District to pay or cause to be paid from funds deposited pursuant to paragraphs (a) or (b) of this Section, to the owners of such designated Series 2007A Bonds not so surrendered and paid all sums due with respect thereto.

For purposes of this Section, Government Obligations shall mean:

Direct and general obligations of the United States of America (which may consist of obligations of the Resolution Funding Corporation that constitute interest strips), or obligations that are unconditionally guaranteed as to principal and interest by the United States of America, or “prerefunded” municipal obligations rated in the highest rating category by Moody’s Investors Service or Standard & Poor’s. In the case of direct and general obligations of the United States of America, Government Obligations shall include evidences of direct ownership of proportionate interests in future interest or principal payments of such obligations. Investments in such proportionate interests must be limited to circumstances where (i) a bank or trust company acts as custodian and holds the underlying United States obligations; (ii) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying United States obligations; and (iii) the underlying United States obligations are held in a special account, segregated from the custodian’s general assets, and are not available to satisfy any claim of the custodian, any person claiming through the custodian, or any person to whom the custodian may be obligated; provided that such obligations are rated or assessed “AAA” by Standard & Poor’s or “Aaa” by Moody’s Investors Service.

**SECTION 19. Nonliability of Counties.** Notwithstanding anything to the contrary contained herein, in the Bonds or in any other document mentioned herein, neither the Counties, nor its officials, officers, employees or agents shall have any liability hereunder or by reason hereof or in connection with the transactions contemplated hereby, the Series 2007A Bonds, including the principal and interest thereof and premium, if any, thereon are not a debt of the Counties or a pledge of the Counties’ full faith and credit, and the Series 2007A Bonds, including the principal and interest thereof and premium, if any, thereon and any liability in connection therewith, shall be paid solely from the moneys of the District.
SECTION 20. **Indemnification of Counties.** The District shall defend, indemnify and hold harmless the Counties, its officials, officers, agents and employees ("Indemnified Parties") against any and all losses, claims, damages or liabilities, joint or several, to which such Indemnified Parties may become subject based in whole or in part upon any acts or omission related to the Series 2007A Bonds, except with regard to the Counties' responsibilities under Section 22 hereof. The District shall also reimburse the Indemnified Parties for any legal or other costs and expenses incurred in connection with investigating or defending any such claims or liabilities.

SECTION 21. **Reimbursement of Counties' Costs.** The District shall reimburse the Counties for all costs and expenses incurred by the Counties, its officials, officers, agents and employees in issuing or otherwise in connection with the Series 2007A Bonds.

SECTION 22. **Request to Counties to Levy Tax.** The Board of Supervisors and officers of the Counties are obligated by statute to provide for the levy and collection of property taxes in each year sufficient to pay all principal and interest coming due on the Series 2007A Bonds in such year, and to pay from such taxes all amounts due on the Series 2007A Bonds. The District hereby requests the Board of Supervisors of the Counties to annually levy a tax upon all taxable property in the District sufficient to redeem the Series 2007A Bonds, and to pay the principal, redemption premium, in any, and interest thereon as and when the same become due.

SECTION 23. **Other Actions.** Officers of the Board and District officials and staff are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Series 2007A Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

SECTION 24. **Resolution to Auditor-Controller/Treasurer-Tax Collector.** The Secretary of this Board is hereby directed to provide a certified copy of this Resolution to the Auditor-Controller/Treasurer-Tax Collector of Fresno County (the "County Treasurer") immediately following its adoption.

SECTION 25. **Continuing Disclosure.** The District hereby covenants and agrees that it will comply with and carry out all of the provisions of that certain Continuing Disclosure Certificate executed by the District and dated the date of issuance and delivery of the Series 2007A Bonds, as originally executed and as it may be amended from time to time in accordance with the terms thereof. Any Series 2007A Bondholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under this Section. Noncompliance with this Section shall not result in acceleration of the Series 2007A Bonds. The Counties are not obligated to undertake any continuing disclosure in connection with the Series 2007A Bonds.

SECTION 26. **Recitals.** All the recitals in this Resolution above are true and correct and this Board so finds, determines and represents.
SECTION 27. Effective Date. This Resolution shall take effect immediately upon its passage.

I, William J. Smith, do hereby certify that the foregoing is a true and correct copy of Resolution No. 2007-12, which was duly adopted by the Board of Trustees of the State Center Community College District at meeting thereof held on May 1, 2007, and that it was so adopted by the following vote:

PRESENTED TO BOARD OF TRUSTEES  
DATE: May 1, 2007

SUBJECT: Acknowledgment of Quarterly Financial Status Report, General Fund  
ITEM NO. 07-34

EXHIBIT: Report

Background:

Enclosed is the March 31, 2007, Quarterly Financial Status Report (CCFS-311Q) for the District General Fund, as required for California community college districts (ECS 84043). In accordance with State instructions, a copy of the report is forwarded electronically to the State Chancellor's Office.

The quarterly financial report reflects projected revenues and expenditures in line with the annual budget, as amended for additional grants, programs, etc. Actual revenues and expenditures are consistent with expectations at this time of the year, allowing for the fact that most of the revenue from certain federal monies, i.e., VTEA, and some property taxes are not fully received until later in the fiscal year. The report indicates budgeted expenditures exceed budgeted revenues by $2,070,676. This difference is expected since the various Colleges and Centers have augmented their initial budgets with carryover funds reserved in the General Fund ending balance on June 30, 2006.

The District is projecting total FTES of 26,046, which is approximately 0.4% less than the 26,154 reported to the State Chancellor's Office last year. Although growth is less than anticipated, the District will receive approximately $1,120,000 in stability revenue. This money is available to districts to help them during periods of decline.

Recommendation:

It is recommended that the Board of Trustees acknowledge the Quarterly Financial Status Report (CCFS-311Q) as presented.

PRESENTED TO BOARD OF TRUSTEES

DATE: May 1, 2007

SUBJECT: Consideration to Approve Health Fee Increase, Districtwide

ITEM NO. 07-35

EXHIBIT: None

Background:

Education Code Section 76355 provides the governing board of community college districts the option of increasing student health fees by the same percentage as the increase in the Implicit Price Deflator Index for State and Local Government Purchase of Goods and Services. The District was notified that the health fees for 2006-07 could be increased by $1 effective with Summer Session 2006. The District has recently been notified that the health fees for 2007-08 can be increased by $1 effective with Summer Session 2007. The health fees were not increased for 2006-07 by $1 because the Board took action in February 2006 to eliminate the local health fee waiver for those students receiving Board of Governor's fee waivers. This action was allowed by AB 982 which became law effective January 1, 2006. It was determined that the authorized $1 increase in health fees might place an undue burden upon these students for the 2006-07 academic year.

After careful consideration of the fees currently being charged to students, the administration believes it to be prudent to increase the student health fees by the authorized $2 for Spring Semester 2008 (classes starting on or after January 1, 2008). This recommendation has been developed in the context of the tuition fees being paid by students, which have dropped from $26 per unit last year to $20 per unit this year. This means a full-time student enrolled in a 15-unit program for the fall and spring semesters will be saving $180 in tuition fees over the course of a year with a health fee increase of only $4 for the same time period.

These established fees assist districts in offsetting the cost of providing needed health care services for their students. It is, therefore, appropriate to apply the calculated fee increases from the past two years to minimize the encroachment of the student health program upon other General Fund activities. The total increase of $2 is authorized by the Education Code to be

21
effective as early as Summer Session 2007. Because of the late notification from the State Chancellor's Office, the District is recommending implementation effective with Spring Semester 2008 (classes starting on or after January 1, 2008). The increased fee results in a semester increase from $14 to $16 and a Summer Session increase from $11 to $13 for most Colleges/Centers in the District. Since the Oakhurst Center and the Career & Technology Center have not provided a full complement of health services to students, the District has chosen to charge a reduced fee for these Centers, with the new fee being recommended at $8 per session.

Recommendation:

It is recommended that the Board of Trustees authorize a $2 increase to student health fees, effective with Spring Semester 2008 (classes starting on or after January 1, 2008), resulting in the following rates: $16 per semester and $12 for summer session for District Colleges and Centers and $8 per session for the Oakhurst and Career & Technology Centers.

SUBJECT:  Consideration of Bids, Fume Hood Replacement, Fresno City College

ITEM NO.  07-36

EXHIBIT:  None

Background:

Bid #0607-26 provides for the labor necessary to replace five existing fume hoods with new fume hoods in the Math/Science building at the Fresno City College campus. This is the second of three phases to replace fume hoods in various labs throughout the building. The work of this project consists of demolition of the existing units and the electrical, plumbing, fire sprinkler, HVAC, metal fabrication, roofing, painting and finish work required in support of the fume hood replacements. The replacement fume hoods have been purchased by separate contract to ensure timely delivery, project coordination and compatibility. This project is designed to modernize the science lab areas of the Math/Science building at Fresno City College. Funding for this project will be provided by a combination of 2006-07 and 2007-08 Decision Package Funds for Fresno City College and the District.

This second phase of the fume hood replacement project is similar in scope to the first phase which was awarded to the same contractor in May 2006. Last year’s bid had two responses ranging from $137,000 to $154,000. Plans for this current phase were pulled by three contractors but due to the high volume of available bidding opportunities, a single bid response was received. While the option to re-bid this project is available, the experience of the administration has shown that in the current bidding climate, re-bid situations have proven to be unreliable and generally result in a cost increase. The administration is recommending award of this bid as follows:

Recommendation:

It is recommended that the Board of Trustees award Bid #0607-26 in the amount of $179,000.00 to Strategic Mechanical, Inc., the lowest responsible bidder for the Fume Hood Replacement at Fresno City College, and authorize the Chancellor or Vice Chancellor, Finance and Administration, to sign an Agreement on behalf of the District.

SUBJECT: Consideration of Bids, LAN/WAN 5B, Emergency Generator, Fresno City College

ITEM NO. 07-37

EXHIBIT: None

Background:

Bid #0607-24 is for the purchase and installation of a standby gas generator system to provide back-up power for the data network systems located at the main cross-connect room in the Media Center at Fresno City College. This work is identified as part of the final phase of the District’s Wide Area Network (WAN) and Local Area Network (LAN) infrastructure project. The work of this project includes the installation of a new gas-powered generator, construction of a concrete pad and a concrete masonry unit wall with brick veneer, installation of underground electrical conduits and conductors, and the installation of a new gas line from McKinley Avenue to the generator.

The Fresno City College Media Center is the central hub for computer networks used throughout the campus. A loss of power at this location can cause the campus to lose access to networks including instructional systems, Datatel, e-mail, and the internet. This type of unforeseen disruption is difficult to recover from and can cause numerous problems, including file corruption, locked records, increased maintenance costs, and lost productivity. The current battery backups for the network equipment are undersized due to the growth of the various campus networks. The installation of this new standby generator will allow for a reliable, continuous source of power to prevent disruption of these Fresno City College networks.

Funding for this purchase will be provided by Measure E General Obligation Bond Funds. Due to an abundance of available work for electrical contractors, a single bid was received from one (1) contractor as follows:

SUBJECT: Consideration of Bids, Site Work, Bookstore/Food Service Portables, Willow/International Center

ITEM NO. 07-40

EXHIBIT: None

Background:

In June 2006 the Board of Trustees approved an award for the purchase and placement of relocatable buildings necessary for the Bookstore/Food Service facility at the Willow/International Center. This facility, designed to provide 6,720 square feet of usable space, was recently approved by the Division of the State Architect. Bid #0607-18 provides for the necessary site improvements to allow for placement and operation of the new facility.

Included in this project is earthwork necessary to prepare the pad and surrounding areas, site utilities, including electrical, communications, plumbing and storm drainage systems, concrete, paving and masonry improvements for the building and surrounding areas, shade structures located in proximity to the facility, and interior modular casework and kitchen equipment for the Food Service operation. The installation of merchandising casework for the Bookstore operation will be by separate contract. Of critical importance is the coordination of work with the portable building manufacturer for purposes of scheduling and placement of the units. The project schedule will allow for completion of the facility in December with occupancy prior to the spring semester.

Funding for this project will be provided by Measure E General Obligation Bond Funds. Bids were received from three (3) contractors as follows:

Presented to Board of Trustees

Date: May 1, 2007

Subject: Consideration to Purchase Portable Classrooms, Oakhurst Center

Item No. 07-41

Exhibit: None

Background:

Included in the Measure E project list is the addition of two portable classrooms at the Oakhurst Center campus. These classrooms are needed for general education and occupational training classes. As common practice the Board of Trustees has approved the use of bids offered through the other public agencies for the piggyback purchase of relocatable classrooms to be utilized throughout the District. By piggybacking these purchases, the District has been able to obtain advantageous pricing from a larger-quantity purchase and has expedited the acquisition of these buildings. The administration has currently identified a bid offered through the Fresno County Office of Education with Modtech Holdings, Inc., as an appropriate contract for this purchase. The District has utilized Modtech manufactured facilities in the past with positive results.

These DSA-approved standard classrooms each measure 24' x 40' and will be manufactured to match the existing facilities. Included in the purchase are engineering and design, standard interior amenities, and delivery, unloading and installation at the Oakhurst site. Necessary site preparation and utility connections will be by separate contract to be brought to the Board at a later date. The cost to purchase these portable classrooms is $87,366.00 each. Funding for these new Oakhurst Center portable classrooms will be provided by Measure E General Obligation Bond Funds.

Fiscal Impact:

$174,732.00 – Measure E General Obligation Bond Funds

Recommendation:

It is recommended that the Board of Trustees authorize a purchase order in the amount of $174,732.00 to Modtech Holdings, Inc., utilizing the current Fresno County Office of Education contract, for the acquisition of two (2) 24' x 40' portable classroom buildings to be placed at the Oakhurst Center.
