Approval of Minutes

The minutes of the Board meeting of August 3, 2004, were presented for approval. A motion was made by Ms. Barreras and seconded by Mr. Forhan to approve the minutes of the August 3, 2004, meeting as presented.

The motion carried by the following vote:

Ayes - 5
Noes - 0

Delegations, Petitions, and Communications

Mr. Bill Carr, on behalf of the nearly five-hundred CSEA employees, expressed appreciation for the prompt approval of the bargaining agreement and payment of the salary increases. He especially thanked the Human Resources and Payroll Departments.

Swearing In of New Student Trustee

Dr. Crow administered the Oath of Allegiance to the new Reedley College Student Trustee, Mayra Gonzalez.

Chancellor’s Report

Dr. Crow stated that he is very pleased that the opening of the new academic year went very smoothly on all of the campuses. The planning and organization that went into assisting students with the problems of a new semester were very evident. Preliminary enrollment figures indicate that the District is up approximately 4% over last Fall. He expressed his appreciation for the hard work that the faculty, classified professionals, students and administration put into the successful start of the new semester.

We were all saddened by the tragic death of the FCC student, Deondrae Mullin, last week. Our deepest sympathies go out to his family and friends. He thanked the District police, classified professionals, faculty, administration and students for their part in responding to the terrible accident. They displayed true professionalism in assisting with traffic, providing support with psychologists and counselors, working with Fresno Police Department in the investigation, and taking care of the media. By this time next year, the underpass project will be complete and, hopefully, we will not be faced with these situations in the future.

Dr. Crow noted that part of tonight’s agenda includes approval of the District’s budget for 2004-05. Overall, community colleges received a boost over last year’s funding. He added that equalization funding was finally included in the allocation from the State. As a low wealth district, SCCCD will definitely benefit from this new source of funding. Strong fiscal oversight by the Board, and prudent budget management by the campuses and District, have enabled State Center to weather the tough times with minimum cuts to programs and services.

Academic Senate Report

Ms. Maggie Taylor, Fresno City College Academic Senate President, expressed the Senate’s sadness regarding the student killed in the train accident last week. She reported that Paula Demanett was elected to the position of president-elect for this academic year. The faculty has reported that the use of Web Advisor for dropping “no shows” and the new format for students to add classes have been very successful. In addition, there has
been a good response to the call for faculty to work on the accreditation committees. Overall, the outlook is positive and the Senate looks forward to a productive year.

Ms. Lisa Maciel, Reedley College Classified Senate President, shared her background with Reedley College and stated that she looks forward to the upcoming year. She reported that over sixty faculty and staff attended the Third Annual Spare the Air Potluck on July 15 in the Staff Dining Room. The event included the kick-off of the recipe contest for the second edition of the Classified Cookbook. To encourage fitness and relieve stress, the Senate is coordinating a Walk America project in which staff and faculty can keep track of the miles they walk, attempting to reach all seventy-seven national parks. Fall semester activities will include a series of Brown Bag Luncheons, the annual Shop ‘Til You Drop trip to the Gilroy outlets, the Reedley/North Centers Staff Development Flex Day on November 11, and the Holiday Community Service project. Senators will also be planning the 2005 Classified Professionals Mega Conference that will be held on March 22. The first Senate meeting of the academic year is tomorrow at 1:30 p.m.

Dr. Felix Aquino, Ms. Candy Hansen and Ms. Pam Thomas provided an update on the District’s international education programs.

Ms. Smith stated that she was impressed with the programs and it is good to hear about the creativity of the instructors and that more adults are involved and supporting the programs. She also expressed her concern about outsourcing of jobs.

Mr. Smith added that he is a strong supporter of international education and is very pleased with the direction and expansion the program is taking. It is a real tribute to the faculty and staff.

It was moved by Mr. Forhan and seconded by Ms. Smith that the Board of Trustees approve the consent agenda, as presented.

Unit members may do these things themselves, but may not authorize them to be done by others unless they first obtain the written consent of the District.

3.3 Exclusive License

Unit members shall have exclusive license to works owned by them but may through their written permission provide a non-exclusive license to the District or to other unit members to use the work in a manner prescribed in the written permission by the unit members who own the works.

If the work is considered a “Work for Hire,” the copyright shall be owned by the District and may be assigned or licensed by the District without the consent or permission of the unit member.

3.4 The District and the unit member may enter into any other arrangement regarding the exercise of copyright in such works as may be agreeable to both parties, including licensing, releasing or assignment back to the employee the full copyrights in said works. 2004-05 Salary

Effective August 12, 2004, the District shall provide for the 2004-2005 school year an increase equivalent to the Statutory Cost-of-Living Adjustment to each cell of the salary schedule in effect during the 2003-04 school year for unit members. In addition, as the District has met or exceeded the funded growth targets in credit and non-credit instruction for the 2003-2004 year according to the Second Principal Apportionment Report (P2) the District will increase each cell of the 2004-2005 salary schedule by an additional 1%.

“Parity” Stipend

If the District receives additional “parity” monies for the 2004-2005 school year pursuant to the 2005 Budget Act appropriation stated specifically by the state legislature to make part-time faculty compensation more comparable to full-time faculty compensation for similar work the distribution of District revenue pursuant to the 2005 Budget Act shall be made to part-time/overload faculty on a one-time non-repetitive (off schedule) basis for the 2004-2005 school year. The distribution shall be based upon the number of part-time/overload Lecture Hour Equivalents (LHE’s) in Fall semester 2004 and Spring semester 2005 in a manner consistent with the Memorandum of Understanding entered into by the parties regarding this subject for the 2003-2004 school year. Under no circumstances shall the District be required to provide more money to part-time and overload faculty in excess of the District’s allocation actually received.
